

REVOLT APPEARS DOOMED

APRIL 15 SET AS DATE FOR SESSION OF CONGRESS

POOR CAL WASN'T EVEN GIVEN CAR BY HOME TOWN, WILL

(Special To The News)
NEW YORK, March 7.—Coolidge scored his state, town, country and nation 25 years, and returned home to a rented house, not even a car. What would have happened if he had come from a western state and returned back to his home? His state legislature would have bought him a home. His townspeople would have got him a series of cars.

Why in Oklahoma, even when a governor can return from the state capital without being impeached we present him with at least a county. But up in Northampton he got nothing but a set.

Suppose Wall Street paid him what they owed him.

Yours, WILL.

P. S.—Well, that's what he gets for returning to a Democratic stronghold.

Hoover To Call Special Session On Farm Relief

Tariff Revision Also To Be
Disposed Of By Special
Session

CARRIES OUT PROMISE
MADE IN CAMPAIGN

President Hopes That Session
Will Be Brief; Republicans
Are In Control

By GEORGE R. HOLMES
International News Service Staff
Correspondent
WASHINGTON, March 7.—President Hoover decided today to call the 71st Congress into special session on April 15.

A proclamation calling the special session was issued at the White House shortly after 11 o'clock.

This session, promised during the campaign, will deal with farm relief and tariff revision primarily, and, if the leaders have their way about it, reapportionment of Congress on the basis of the 1930 census.

It is not likely that much else will be attempted. Mr. Hoover doesn't want to stay in the capital very far into the summer. They are hopeful of getting away by mid-June or July 1 at the latest.

Plan Snappy Session
A snappy, expeditious session is the program, and it probably can be carried out despite the many controversial factors inherent in farm relief and tariff tinkering. For one thing, the Republicans will be pretty securely in the saddle, having a majority in both houses.

PA NEW OBSERVES

Floyd W. Lutz, one of New Castle's enthusiastic boosters, in discussing various things at the meeting of the New Castle Booster Club last evening, got a great response when he stated that in the event of the club sponsoring an "eat New Castle bread week" a great many people would eat bread made in New Castle who had not done such a thing in a long, long while. He was given a tremendous ovation.

Perry S. Gaston Post of the American Legion is sponsoring a "Sonny" Club, which aims to look after the welfare of sons of deceased Legionnaires. Now there is something worth while for you. World War veterans should be more than proud to belong to such a fine organization.

The dump which extends from Blaine street towards Mercer in the Boyles avenue hollow is rapidly filling the huge ravine there and soon nothing but a memory of the deep gully will exist.

Harry L. McBride Post, Veterans of Foreign Wars, is beginning to perk up a bit. They are going to have a big affair for State Commander James A. Van Zandt on March 18th.

PA News forever swears off from saying spring is coming only to be embarrassed like he has been lately. Hereafter, he will say that so and so saw so many robins and that spring is expected some time in 1929 but the date is uncertain. Each evening it looks like spring and every morning we are in Alaska.

Driving a light car this morning was an effort. Every time you came to an open space where the breeze could hit you, it took a lot of energy to get strengthened out.

Reports to The News office this morning indicated that the wind had broken quite a few windows about the city. Biggest losses were apparently a couple of store plate glass windows.

Local little man reports to one of the PA News family that when he was 21 he was still wearing short trousers. Seems incredible but he says it's true.

PA News believes the quail and other bird life that jumped the gun and were fooled about spring like the rest of us, have a soft spot. These

(Continued On Page Two)

When I Was 21

James W. Cole, present secretary of the New Castle Chamber of Commerce, had just left the United States navy when he was 21 years of age.

Mr. Cole was then a student in the college of commerce at the University of Illinois during his 21st year.

He was also playing freshman varsity football during this same year, was a member of the Acaemia fraternity and a Delta Sigma Phi, national commercial fraternity.

Church Merger To Be Approved

Grace M. E. Congregation To
Become Part Of Epworth
Congregation

CHANGE MAY BE
MADE NEXT MONTH

Final steps towards the consolidation of the Grace M. E. Church of this city with the Epworth M. E. Church will probably be made within the immediate future, following the action of the Official Board of the Grace Church.

The board accepted the recommendation of the trustees that the Grace Church merge with Epworth and that a committee be appointed to confer with a similar committee of the Epworth Church for the purpose of arranging the consolidation. The committee from the Grace Church will consist of John H. Nelson and Mrs. Charles E. Flannery. The committee of the Epworth M. E. will probably be named this evening when a meeting of the board will be held.

Some little time must elapse before the final step is taken, because of certain church rules which must be observed. These will probably hold the matter up for a month or so, but it is thought that inside of the next few weeks the Grace M. E. Church will pass out of existence as an organized church, and the membership will have been merged with Epworth.

The decision of the Grace M. E. official board comes after deliberate thought of several years. The action has been suggested before but no definite action was taken until last Sunday morning. Having taken the step, the church is now ready to expedite the arrangements which will fully complete the merger.

Councilman Clayton Reeves today dispatched a crew of street department employees to Edgewood avenue where a big tree was felled by the wind. It blocked entrance to a garage. The situation was remedied.

Several limbs were blown from other trees in different sections of the city according to Reeves.

Wider Bridge Over Big Run Given Approval

County Commissioners Re-
ceive Notice Of Action
By Public Service

ESTIMATED COST
OF IMPROVEMENTS

County commissioners have received from the Public Service Commission approval of plans for the widening of the bridge across Big Run at Cascade park. The commission recently ordered the B. R. & P. railroad to construct a wider bridge over the company's railroad tracks near the same point.

The bridge over Big Run and bridge over the B. R. & P. tracks are only a short distance apart. When the state recently repaved the New Castle-Edgewood road from Cascade park to east of the railroad bridge at East New Castle, the section embraced by the Big Run bridge and the B. R. & P. bridge was left at its former width, which is considerably narrower than the balance of the roadway.

The new bridges are to have a 30-foot roadway, with a five-foot sidewalk on one side. The estimated cost of both bridges and roadway, according to figures submitted by the Public Service Commission is \$49,545.30. This includes both the bridges and the paving of the roadway. The estimated cost of the railroad bridge is \$17,000.

Estimated cost of the bridge over Big Run is \$11,593.50. The county will have to pay for the bridge across Big Run. The road work, estimated at \$19,414.30 will be paid for by the state. Cost of a detour, while the bridges are under construction, is estimated at \$400, which will also be taken care of by the state.

Bids will be asked soon and it is expected that both projects will be completed during the early summer. At present the situation is rather dangerous to travel as the bridges are not as wide as the concrete roadway and the roadway is rough, the old macadam not having been removed.

Trio Adrift On Lake Michigan

One Woman And Two Men
On Fishing Expedition
Reported Drifting On
Lake Michigan

WIND DAMAGE AT
CHICAGO IS LARGE

(International News Service)
CHICAGO, March 7.—One woman and two men were reported adrift today on storm-tossed Lake Michigan. The three were on a fishing expedition off the coast of Waukegan, northern suburb, when a fierce gale blew up. They are Hans Nielsen, 30, his wife and Nielsen's young brother.

Their craft is a 35-foot gasoline launch. When they failed to return last night other boats set out to look for them. All were forced back by the terrific gale.

The wind did considerable damage in Chicago. Two persons were injured when a huge electric sign was blown down. Several plate glass windows in the large downtown stores were smashed in. Trees were uprooted and houses unroofed in the suburbs.

Two airplanes were tipped over while trying to land at Municipal airport.

Meat Vs. Vegetables Basis Of Battle For Restaurant Control

(International News Service)
NEW YORK, March 7.—Meat vs. vegetables! This is the major issue in the struggle for control of the profitable Childs restaurant chain opening here today in New York's own "battle of the proxies."

William Childs, the firm's founder, admits removing the most of the meat courses from his menus and attempting to educate his patrons to the health values of vegetables and a balanced ration.

William A. Barber, who leads the fight to oust Childs, contends that the president's "vegetarian obsession" dwindle the earnings of the company.

Although the strength of the Childs and Barber factions in the fight, which is scheduled to come to a head at noon today, could not be definitely determined it is believed that Barber has sufficient stock to win control.

Childs' founder of the company, virtually admitted his defeat a few days ago when he said that if the election were to be decided "on the basis of one vote for each stockholder or instead of one vote for each share of stock, I could now count this contest as won."

Childs' founder of the company, virtually admitted his defeat a few days ago when he said that if the election were to be decided "on the basis of one vote for each stockholder or instead of one vote for each share of stock, I could now count this contest as won."

Jury In Favor Of Purchasing More Property

Recommends That Boyles
Property Adjoining Court-
house Be Acquired

CARD INDEX SYSTEM
FAVORED FOR TAXES

Jury Visits County Home And
Reports That Everything
Is In Good Shape

Instead of recommending a new court house, which has been the usual custom of grand juries for many years past, the grand jury in presentments made late Wednesday, recommended the purchase of the Boyles property, adjoining the county buildings, as a means of relieving the crowded condition of the court house. No recommendation was made as to what departments might be housed in the Boyles property.

There has been considerable talk for some time regarding the purchase of this property, with a view to moving some of the offices into it until such time as the county may be able to raise the money to build a new court house. No definite figures have ever been secured, as it is understood that David Boyles the owner, has not been anxious to sell. It is said that if an agreement could not be reached on price that it might be taken by condemnation proceedings.

Recommends Card Index System
Another recommendation of the grand jury was that a card index system be adopted.

International News Service Staff
Correspondent
HARRISBURG, March 7.—The biennial battle between the department of highways and State Treasurer Samuel S. Lewis, waged on the field of the Lewis's figures, got under way in real fashion today.

Lewis in a statement to the press said that a supplementary report made by the department to the Senate road committee last night was an "unintelligible jumble of figures" and "full of holes."

Meanwhile members of the legislature and the public not armed with adding machines and statistical analysis experts prepared to stand by and cheer the victor.

The Lewis statement today was taken to mean that he will fight to the finish the proposal, said to have an administration backing, which would increase to four cents the gas tax.

Feel Earthquake Shock In Pacific Hundred Die In Landslide

(International News Service)
SAN FRANCISCO, March 7.—A severe earthquake which was recorded on seismographs throughout the United States and caused fears that the Pacific ocean might be swept by tidal waves was believed to have centered in the far north, probably at the extreme tip of the Alaskan Peninsula.

No word of any spectacular tidal disturbance had reached here early today from Honolulu or any Pacific port.

The steamer Yokohama Maru reported by radio to Cordova, Alaska, that the vessel while near the islands of Four Mountains, felt the earthquake at 3:35 p. m. yesterday. The master of the vessel said the shock lasted a full minute.

A slight quake was reported felt at Unalaska at the same time.

Membership Of Booster Club Is Much Increased

Enthusiasm Abounds At
Meeting In Municipal
Building Last Night

Many Matters Of Vital Im-
portance To City's Wel-
fare Discussed

Attendance at last night's meeting of the New Castle Booster Club evidenced the fact that the organization is here to stay and that the members are very serious in their intentions to better existing conditions in New Castle. Exactly twice the number which attended the second meeting a week ago was present last evening, and all of them expressed their intentions of affiliating with the body.

Several interesting addresses were given by members of the club in which a number of matters were suggested for development.

Matthew Guntton, a member of the planning board of the city, gave an interesting talk on equalization of taxes, stating that he has observed that a great many downtown properties were assessed far less than their rental value indicated.

E. D. Hawk, proprietor of the Hawk Battery Co., one of the very new industrial concerns in the city, told members of the Booster club that he had influenced him in locating in New Castle and promised his cooperation in boosting New Castle. He stated that the Hawk Battery Co. had grown from a small beginning and now employed 17 men, with plenty of room for expansion.

James W. Cole, secretary of the Chamber of Commerce, read the contents of a letter he had received from a New Castle booster in which the latter urged the adoption of some appropriate slogan to be placed in all envelopes, advertising the city, in referring to the attempt to secure an all mail stop for New Castle he urged the citizens to exceed the five-pound limit necessary to secure air mail service, so that in the event there was a shrinkage that it would be taken care of.

W. M. Nunn, chairman of the committee on air mail service, stated that he had received nothing but courtesy and consideration in his visits to the various business people in the city, urging them to use the air mail service more extensively. Several large concerns have promised almost a pound of air mail matter a day. He also urged the Booster club to get behind the municipal golf course, assuring that a large industrial concern.

STEWART-ROCKEFELLER BATTLE FOR CONTROL OF STANDARD OIL ON

Whiting Ind. Mar. 7.—Like the principals in a world championship boxing event, warring factions of Standard Oil of Indiana, as represented by John D. Rockefeller, Jr. and Co. Robert W. Stewart, strained in their respective "corners" here today awaiting the gong that will open the widely publicized proxy battle for control of the wealthy corporation's affairs.

Col. Stewart, who is directing his fight in person, stubbornly refused to admit defeat, but carefully avoided claims of victory. One of Stewart's advisors practically admitted the little office of the company refinery here. Technically it is the annual meeting of stockholders for the election of officers.

While the younger Mr. Rockefeller is complacently sight-seeing in far-off Jerusalem, his long shadow falls like a mantle over the Stewart camp to

darken the hopes that the "fighting Colonel" will be retained as chairman of the board of directors. As the seven large iron boxes, filled with the precious proxies, were being carried into the "ring," Winthrop W. Aldrich, representing Mr. Rockefeller, openly boasted that his faction would dictate the course of the meeting.

Guard Unit Will Receive Old Name Of Troop "F" Soon

Capt. Ray Walter Is Notified
Change Will Be Made
April 1

Horses Will Be Received As
Soon As Reorganization
Is Completed

Capt. Raymond Walter, commander of Co. B, 125th Mounted Engineer, announced today that he has received unofficial information that the local unit will be redesignated April 1, and that the unit will receive its old name of Troop "F" by which it was known before the war.

The information was received in a letter from Major Wolfe, commander of the Second Squadron, 103rd Cavalry, in which he states that the change will be made on the date mentioned above and that the New Castle unit will be under his command. Official word from the adjutant general confirming the order is expected at once.

Troop "F" passed out of existence after the troops were mustered into federal service during the late war. The unit was split up and its members assigned to various outfits of the 28th division, there being little use for cavalry during the World War.

After the war the troop was reorganized.

Huge Plate Glass Is Broken By Wind

Largest Plate Glass In City Is
Broken By Wind Fury
Today

Minor Damage By Wind Is
Reported From Various
Parts Of County

Early this morning the huge plate glass window 108 by 112 inches in the front corner facing Croton avenue in the building of the New Castle Dry Goods company was completely demolished by the terrific wind that swept the city. The window, the largest of its kind in the city cannot be replaced today due to the fact that there is none nearer than Pittsburgh and installation in the face of the wind would be an impossibility.

According to the report from store officials displays in the window happened to be few and of a sturdy nature at the time and there was no other damage than the breaking of the plate glass.

It would be impossible to transport a new glass by truck in the face of the wind today and installation would be impossible for the same reason. The open space has been barricaded until a new glass can be obtained. The loss of the glass, amounting to several hundred dollars is covered by insurance.

Other damage done by the fury of wind which swept the city and county this morning was light though many minor cases were reported.

From the country side come reports of broken barn and house roofs, trees blown down, limbs scattered here and there and corn cribs blown over.

Temperature dropped with the wind this forenoon and travel about the down town streets was scarcely noticeable.

Few Vacancies In Schools Here

Eight Are Indicated At End
Of Present School
Year

NEARLY 500 SEEK
TO SECURE JOBS

Graduates of colleges and State Teachers' Colleges will find it difficult to secure positions in New Castle for the coming school term. Thus far, there appears to be about eight vacancies in the entire school system, with nearly 500 applications already on hand.

Under the continuing contract now in vogue here, teachers are not elected at the April meeting of the board. Instead, the contract of the teacher continues in force, unless the board gives notice that it will be abrogated. This notice must be given at least thirty days before the end of the school year. There is no indication that any such abrogations will be made and inasmuch as March 1 was the time set for the teachers to notify the board of their decision not to return, the vacancies stand at eight.

It is highly probable that this will be increased somewhat as the experience of the board is that a number of teachers decide to marry after the summer vacation starts. This will add but few to the vacancy list.

Scores of the applicants are from New Castle girls and while the New Castle School Board gives preference to local girls, there will still be a large number who will not be able to secure positions.

Train Hold-Up Bandits Sought

(International News Service)
CHICAGO, March 7.—Four machine gun bandits were sought today after they had held up a Rock Island passenger train on the outskirts of the city and escaped with a small amount of loot and a satchel containing cancelled and non-negotiable papers.

The train was bound for Minneapolis via Joliet. Among the passengers were Sherman Scheidt, vice president of the First National Bank of Joliet, and Joseph Carless, the bank's messenger.

Two of the bandits produced Thompson sub-machine guns from their vests and their confederates ordered the switchman to stop the train and then went through the coaches robbing the passengers.

They fled from the scene in an automobile.

Mexican Rebels Are Losing Out, Dispatches Show

U. S. Troops Ready To Move
To Border Line In Case
Of Emergency

FEDERAL FORCES
CONTROL IN EAST

Report Artillery Engagement
In Progress At Nogales,
Sonora

(International News Service)
The revolutionary movement in Mexico today appeared to be doomed.

The federal forces are in complete control of the eastern sector between Mexico City and Vera Cruz.

Vera Cruz has been evacuated by the rebel leader, General Jesus M. Aguirre. Cordova, Orizaba, Esperanza and other important eastern cities are held by the government forces.

Federal forces under General Andres Almazan and General Caddell are pursuing General Gonzalez's forces, which were driven from Monterrey yesterday. General Escobar's forces were later driven out of Saltillo and are now believed to be retreating to the northwest.

Rebels Strong in Sonora
The rebels continue strong in the state of Sonora. It is reported the rebels are concentrating a strong army.

Clinefelter Is Given Pardon

New Castle Man's Appeal Is
Granted By State
Board

HARRISBURG, March 7.—Two bank embezzlers were among the fourteen persons given freedom today by the state board of pardons. They were Frank Clinefelter, Lawrence county, who was serving a six to twelve year term for embezzlement, and other counts, and A. C. Osburn, Beaver county, Osburn whose case has been held since the December session was sentenced in 1923 to a term of from 15 to 20 years. The board released fourteen persons.

The action of the board included: Recommended—Herman Jacobs, Fayette, felonious arrest; Frank L. Clinefelter, Lawrence, embezzlement; Tony Muscare, McKean, murder in the second degree; George Milhouse, Somerset, conspiracy; Elmer Swain, Westmoreland, larceny; and Raymond Kallenbaugh, Crawford, forgery.

Arthur Mometer

You can laugh at the groundhog if you will, you can scoff at this theory old, you can sneer and jeer at the old idea that his shadow will keep it cold. For as you know when he steps outside, if the sun should happen to gleam, he crawls back in for another six weeks, to hibernate and to dream. And while he is sleeping the winter keeps on, blisters, fog and chill and though you may chuckle at stuff like this, and laugh it off if you will, it is still a fact that the winter is here, as the groundhog said it would be, and today is a danger, with horns and hooves, is clear down to twenty-three. So restrain your mirth at this ancient gag, for the groundhog is proven true, at least he has for the present year so what are you going to do.

PA NEW OBSERVES

C. Of C. Members Convene Tonight

Colvin B. Brown Of The National Chamber Of Commerce Will Speak

JUDGE CHAMBERS HEADS MEETING

This evening at The Castle Ballroom the membership meeting of the New Castle Chamber of Commerce, hosts to Colvin B. Brown, national representative, will be called to order by Judge James A. Chambers at 8:20 o'clock. The meeting includes every member of the local organization.

As the main feature of the program which will follow a large banquet dinner, Colvin B. Brown, manager of the commercial department of the United States Chamber of Commerce and world wide traveler in the interests of commercial developments, will speak concerning the "Business Man and His City."

The address of welcome will be made by Ira M. Ramsey, president of the local organization. The toastmaster, Rev. W. E. McClure, will be introduced by Judge Chambers. Rev. McClure will in turn introduce Representative Brown, who will make the address of the evening.

Rev. F. S. Clifford of this city will have charge of the invocation for the meeting, while W. O. Williams will lead the group singing.

Following the address of Mr. Brown the meeting will be turned into a general round table discussion of business problems among the members of the organization of members.

Indications are that a large group of men will attend the meeting.

GUARD UNIT WILL RECEIVE OLD NAME OF TROOP "F" SOON

(Continued From Page One)

ganized here but lost its identity, the name being changed to Troop A. The United States cavalry unit was lost entirely to the city, being transferred to Clearfield, Pa., and its horses shipped to that point. When demand was made that New Castle be given some unit of the National Guard, Troop B, 125th Mounted Engineers, was formed and assigned here.

As soon as the reorganization is completed, horses will be shipped here for the use of the troop, Captain Walter stated today.

The present strength of Company B is 59 men, one less than the minimum of 60 required as a maintenance staff. Capt. Walter states, and effort will be made to secure any men needed to bring the unit up to peace time strength. The maximum strength permitted is 67 men.

STEWART-ROCKEFELLER BATTLE FOR CONTROL OF STANDARD OIL IS ON

(Continued From Page One)

go through the usual parliamentary routine. Then the meeting will be adjourned to the Whiting Community House where approximately 1,000 "ringside" seats will be available for the proxy "showdown." Company officials have rigged up a series of loud speakers that will carry news of the battle to "standing-room only" customers on the outside of the Community House.

In the big fight itself, Col. Stewart is the issue. The Rockefeller, in seeking his ouster, have made of him a "moral issue," claiming that he is "unfit" to control the destinies of the Indiana company.

The fight will be determined by proxies. These proxies are divided over 920,000 shares of stock. Of these the Rockefeller interests claim to have 549,000 already checked and carefully stored away.

Stewart's forces have not stated definitely just how many shares they control, but they do claim that the number now held by the Rockefeller faction will be seriously cut down by invalidation through contest.

JURY IN FAVOR OF PURCHASING MORE PROPERTY

(Continued From Page One)

tem be installed in the office of the county treasurer, similar to that used by public utilities in forwarding bills to consumers, so that the cards could eventually be used as receipts. It is contended that this would tend to eliminate delay at the treasurer's office at times when there is a rush, and incidentally make toward greater efficiency in the conduct of the office.

At present cards are not sent out by the county treasurer to all taxpayers. Those who desire to know what their taxes are must either go to the court house, telephone or write, and when taxes are paid receipts are written out. With the card system all that would be necessary would be to clip off the stub, the same as is done with a gas or electric bill. It has not yet been figured out what additional cost would be entailed by the card system, but it is probable that this will be done.

It was also recommended that a fire proof filing cabinet be provided for the county superintendent of schools.

In order to accommodate mixed juries it was recommended that a ladies toilet be installed in the north jury room.

The grand jury reported that a visit had been made to the county home and that everything had been found in excellent condition. A tour was also made of the county buildings, including the court house and jail.

The prize optimizer is one who reflects that Spring slush keeps the March wind from taking a hat very far.

Regulations For Marble Contest

In Friday night's issue of The News will be published the first installment of rules that will govern the forthcoming marble tournament to be conducted among the girls and boys of the city.

The Ben Franklin Junior High school Hi-Y is sponsoring the competition and it is to that organization that all inquiries for information may be sent. Articles in The News, however, will cover the important details of the tournament. Watch for the rules tomorrow!

PA NEWC OBSERVES

(Continued From Page One)

mornings in their heart for the Boy Scouts. The lads have hundreds of pine covered feeding places and warm shelters built throughout the county. Feed is kept in these stalls at all times and there is no need for an intelligent bird to starve.

It is possible to get an education even though you have not had the opportunity to go through the formal mannerism included. Over at the public library they report that scores follow a special outline of study which is prepared and are literally getting a secondary education without a teacher—and in their spare time.

Just how many of the local class B. schools plan to enter the sectional music contest at Erie is not known. Bessemer high school however has announced their intention to enter 100 pupils. New Castle high, in another division of the contest, will send 200 musically inclined pupils. It promises to be a music fest of notes. (Get the pun.)

Plans for the big membership meeting of the New Castle Chamber of Commerce as announced yesterday, indicates a fine program for the listeners this evening. Then, there are the eats and songs. If you are a C. of C. member go to this affair tonight.

Perhaps we shall have another athletic league in our midst which includes more than county teams. Local county school principals have a football league for three counties up their sleeve and the thing is to be popped this evening.

Westminster and her Titan basketball aggregation close a historical basketball season tonight. Though they did not win the Tri-State honor, the season was more spectacular than last.

Today is the day of all days, one which decides the result of the long-fought Rockefeller-Stewart oil fight. It is today that the stockholders of the Standard Oil of Indiana meet to definitely settle young John D.'s ouster aimed at Chairman Stewart.

See where Tommy Jones must answer a challenge. Jack James, S. Jefferson street resident, is the one who challenges. Well, Tommy, if it comes off don't fail to notify the Pa News family of it. A three-miler, as James suggested, ought to be sufficient.

That idea of the Parents-Teachers association is gradually coming into being in all parts of the country. Just this week another was formed in New Castle, at the Arthur McGill school. It's a splendid thing that parents of children who attend grade schools can get together with the teachers to discuss their work. There are now several functioning in the city.

"Kenny" Myers of Albert street reported to one of the younger members of the Pa News class that he saw a nice fat robin on a maple tree near his home.

Today proved a hummer for those who buy hats a bit larger than they should. Down East, Washington street came several men in a group this morning, on past the New Cas-

The GRAB BAG

Thursday, March 7, 1929

Who am I? With what other Russian leader was I once associated in the Soviet government? When I was in the United States of what paper was I the editor?

The daughter of what president of the United States married Jefferson?

de Dry Goods and then over the No-namock creek bridge. Then the fun began. One wind sweep took three hats and hurled them down the avenue, the men close after. Finally, before the hats reached East street, the wind broke and left the felts sprinkled with dirt and snow.

It appears to Pa News that the police should require those motorists parking in Sycamore Way, between Apple Way and Mercer street, to leave sufficient space next to the Green building to people on foot, especially at night. As it is now most of the time, the parked machines are occupying the walk provided for those on foot and compelling the persons on foot to walk in the middle of the cartway, which is exceedingly dangerous, especially when some of these motorists are driving through at the same time.

Although the Automobile Association forgot to remove the banner across Washington street advertising the recent automobile show held here, Mother Nature is taking care of the situation, especially since the heavy winds of last night and this morning started. The winds have torn the sign loose and then wrapped it around the wire holding it in place.

Clayton H. Reeves, city councilman, claims to have the oldest English Bible in New Castle and perhaps the state of Pennsylvania. The Bible, according to Reeves was printed in 1609 in London and has been in the Reeves family for 200 years, having been handed down and is now in his possession. Reeves also states that he has in a deposit vault in a local bank a platinum coin of King Ferdinand vintage, dated 1655. Reeves says that he does not know how much the coin is worth today. Among his other effects, he says are some of the original manuscripts of Lord Byron. Some of them contain poems.

Legislature May Alleviate Delay

Measure Regarding Issuing Bonds Or Certificates To Be Modified

Solicitor Robert White today stated that at the solicitor's meeting held in Harrisburg yesterday it was the opinion of solicitors that the law requiring issuance of certificates by cities for public improvements would be modified by the legislature to prevent delaying of the projects planned in different cities.

He also said in answer to a question that the proposed annexation bill introduced in the senate would probably be passed by the senate.

HIGHWAY REPORT UNDER ATTACK BY STATE TREASURER

(Continued From Page One)

oline tax levy. Lewis is backing a bill sponsored by Representative Talbot, Delaware, which would keep the tax at three cents and make it collectible from the wholesalers.

The highway report on which the attack today was aimed was prepared to explain an apparent surplus of \$23,000,000 at the end of the 1928-31 biennium. The report showed that the excess of expenditures during the coming biennium over the present will be \$3,960,850. It also went into details to explain the expected balance of \$18,000,000 on May 31, 1931. It was explained that apparent highway balances are not real balances and that at all times contracts have been let for many millions and which are carried as "contract liabilities."

"The Stuart statement," Lewis said, "is like all previous communications purporting to enlighten the legislature—nothing more than an unintelligible jumble of figures. It is full of holes as were those used by the highway department in its attempt to put across the recent \$50,000,000 bond issue, and is doubtless an eleven hour endeavor in behalf of the four cent gasoline tax."

At the last session of the legislature Lewis opposed increasing the gas tax to three cents. He said that he had no intention of trying to embarrass the new Fisher administration and confirmed his attacks alleged errors in highway department statistics.

In the campaign last fall he opposed all the bond issues which would have increased the state's indebtedness, aiming his attacks particularly at the highway issue for \$50,000,000 all were defeated.

Woman Hit By Auto On Washington St.

Is Most Fortunate In Escaping Serious Injury In The Accident

A. E. Kerr of the Citizen's Lumber company reported to the police Wednesday that he was driving west on Washington street at Thaddeus Stevens School, when Jewel Gann of 1210 Cascade street, got off a street car.

She walked around in front of the street car and into the Kerr machine, being knocked to the ground. Mr. Kerr picked up the stricken woman and took her to the office of a physician where on examination it was found that she had sustained no serious injuries and was able to return to her home.

Restaurants Are Being Inspected

New Castle restaurants and hotel dining rooms are being visited today by a state inspector, who is making a rigid inspection of foods served to customers.

MEMBERSHIP OF BOOSTER CLUB IS MUCH INCREASED

(Continued From Page One)

cern which employed 700 people was lost to New Castle some time ago because there was no municipal course there.

Floyd V. Lertz spoke of the aims and purposes of the organization for the benefit of those who were attending the meetings for the first time and was roundly applauded. He spoke of a number of businesses which could not be found in New Castle, and which would be readily patronized if they were located here. At the conclusion of the evening Chairman Charles Culbert named Thomas Cunningham, Floyd Lertz, William E. Ferver, John R. Bevan and C. L. Another meeting will be held next Wednesday evening in the same place.

HOOVER TO CALL SPECIAL SESSION ON FARM RELIEF

(Continued From Page One)

jority of 15 in the Senate and about 100 in the House—enough to ride down all opposition with votes to spare.

A farm bill, embodying a combination of the new President's ideas and the McNary plan without the farm equalization fee, which failed of passage this winter, will be ready for introduction at the outset of the new session. About 10 days will be devoted to public hearings, more for farm's sake than anything else, and another 10 days should see it adopted by the House, according to the leaders.

Then while the Senate wrestles with it, the House will take up tariff revision. If there are any fireworks in the session they will center about the tariff.

Mr. Hoover is opposed to any general upward revision, taking in all schedules, and so are most of the congressional leaders.

However, the tariff lobby has been functioning diligently in the Capital for weeks, and there is scarcely a commodity that has not had its case for increased duties presented to the Ways and Means committee at the hearings just concluded.

Deaths of the Day

Robert W. Kennedy.
Robert William Kennedy, aged 11 months, son of Mr. and Mrs. Charles Kennedy, died at the family home on Butler avenue extension Wednesday, March 6 after an illness of about five days of pneumonia.

Funeral services will be held from the Portersville United Presbyterian church at Portersville on Friday, March 8 at 3 p. m. in charge of Rev. Paul McCracken of the Rose Point Presbyterian church.

Burial will be made in the Portersville cemetery.

Mr. McMullin Buried.
Funeral services for the late James Milton McMullin took place from the family home, 430 Court street, Wednesday afternoon at 3 o'clock.

The services were largely attended by relatives and friends. Many beautiful flowers banded the casket, expressing sympathy and esteem.

Rev. A. J. Randies, D. D., pastor of the Second United Presbyterian church, officiated. The pallbearers were W. E. Marquis, A. R. English, Robert Whida, James Milton Marshall, S. J. Chambers and Leon McDowell.

Burial was made in Oak Park cemetery.

Miss Nancy Kelley.
Miss Nancy Kelley, aged 32 years, daughter of Mr. and Mrs. Phillip Kelley, died at the family residence in Sharpburg, Pa., Tuesday, March 5, according to a message received by her uncle, John McClaflerty of 21 Kurtz street.

Miss Kelley was known to a number of friends in this city having visited here frequently.

Besides her parents she leaves three brothers, Lawrence, Howard and Verne, and one sister, Viola. Funeral services took place this morning.

Funeral services for the late Mrs. Ellen G. McMurtre, widow of George McMurtre took place Thursday morning at 10 o'clock from St. Mary's church.

Mass was celebrated by Rev. Fr. Clifford, celebrant, assisted by Rev. Fr. McKenna, Rev. Fr. Dudley Neely, Rev. Fr. Kramer and Rev. Fr. Maroney, the latter of Wampum.

Interment was made in St. Mary's cemetery and the pallbearers were Jerome Cunningham, Peter McGinnis, Edward Heaney, Joseph Heaney, E. J. O'Brien and James Daly.

Andrew C. Perry.
Andrew C. Perry, aged 81 years, well known resident of this city, died Wednesday night at 11:15 at his home on 314 Fairmont avenue.

Mr. Perry was born in Butler county, September 19, 1847, a son of Thomas and Mary Matilda Cuswell Perry. He had been a resident of New Castle for thirty-eight years and was a veteran employee of the Shengango Works of the American Sheet & Tin Plate Co. until his retirement, about twenty-five years ago.

He was a member of the Central Presbyterian church. The following church survive: Mrs. Samuel H. Johnston, Mrs. Philip D. Williams of this city, Raymond R. Perry of Pittsburgh, Cal and Robert T. Perry of Detroit, Mich. He also leaves seven grand children and two great grand children. His wife, Mary McFate Perry and son one and one daughter preceded him in death.

Funeral services will be conducted Saturday, March 9 at 2 p. m. from his late home. Interment in Oak Park cemetery.

Clearfield Without Electric Power As Feed Lines Break

Big Smokestack Topped By Heavy Wind Breaks Feeder Lines At Power Plant

CLEARFIELD, Pa., March 7.—Clearfield and vicinity was without electric power or light for several hours today, when high winds toppled over a 100-foot smoke stack at the plant of Associated Gas and Electric company, tearing away 35 feed wires, as it dropped.

Service was cut off from all sections of the city and approximately half of the county. A few telephone circuits also were broken.

Calling Of Pastor Held Until Later

At the business meeting of the congregation of the Emmanuel Baptist church held last night following the midweek prayer meeting, the question was raised as to whether or not the congregation was ready to call a pastor.

It was finally voted to table the matter of selecting a pastor until some later date, in order that the congregation might have every opportunity to make a careful selection and secure the right man for the place.

Do You Want a Baby?

Women who desire the blessing of motherhood should know the secret by which Mrs. Margaret Burton is now happy with a lovely daughter of her own. Mrs. Burton gladly reveals this charming secret to married women. Address is free she has nothing to sell. Send name to Mrs. Burton, 603 Mass., Kansas City, Mo.

Wallace Refused Pardon By Board

Application for a pardon by Robert Wallace, who was convicted in the Lawrence county courts of felonious rape, was refused by the pardon board at Harrisburg today. Wallace was sentenced to not less than 20 nor more than five years in the Western penitentiary. The sentence was passed on July 22nd, 1927.

Mrs. William Hall and children, Jane and Peggy Ann of Park avenue have gone to McKeesport, where they will visit relatives for a week.

SCHOOL TEACHERS HONOR PRINCIPAL

Seventy instructors of the Benjamin Franklin Junior High School gathered in the Elks dining room Wednesday evening to pay to Prof. F. L. Burton their principal a surprise honor on the occasion of his receiving his master's degree.

Mr. Burton received the degree "Master of Arts" from the University of Pittsburgh a short time ago.

After a splendid dinner a program of entertainment arranged by the general chairman of the evening, Miss Lois Kerr, took place. A. R. Dean presided over the ceremonies as toastmaster. Miss Mary Scherger made the toast.

A feature of the program came when Miss Rayline Dunlap presented to Mr. Burton in behalf of the teachers a beautiful wrist watch. Miss Dunlap made an appropriate presentation speech before handing the watch to Mr. Burton.

Following the presentation of the gift, Miss Nanna Jenkins led the group in pep singing. Selections were also given by a trio composed of Jack McGee, Harold Vance and James Lewis. Following this came a humorous sketch entitled "The Evolution of the Onion" presented by several members of the faculty.

Special guests of the evening included the honor guest and Mrs. Burton and Dr. and Mrs. C. C. Green.

MOTHER'S CIRCLE HAS DINNER AT "THE ELMS"

Mrs. F. J. Nicklin and Mrs. John Patterson of this city were special guests at the attractively appointed one o'clock luncheon given by the Mother's Circle of the First Methodist church at "The Elms" on Wednesday.

Covers were laid for twenty eight guests at small tables centered with American Beauty roses. St. Patrick's colors were also used in the decorations.

The after luncheon hours were spent informally with games and music as features. The next regular meeting of the circle will be held Friday at the home of Mrs. T. A. Myers of Albert street.

Birthday Party
Mrs. Margaret Adams of Smithfield street, entertained at a surprise party Tuesday evening in honor of her son Joseph E. Adams.

Many gifts were received by the guest of honor. Radio music and games were pastimes of the evening. Later refreshments were served by the hostess, assisted by Mrs. Evan Wilkins and Miss Harriet Leighty.

Those present were the Misses Elsie Masters, Dorothy Miller, Cecil Morris, Marcelle Moore, Della Davidson, Rosella McGuire, Catherine Adams, Lillian Adams, Shirley Jean Wilkins, and Messrs William Dukes, Jack Otto, Arthur Alexander, Wilbur Shiber, Richard Hitchcock, Charles Adams. Out of town guests were James Douds, Edward Morgan and Mr. and Mrs. Lynn Irwin of Youngstown, O.

J. O. P. Club
A 1 o'clock luncheon was served Wednesday in the home of Mrs. Lloyd McKinnon, Winter avenue, for members of the J. O. P. Club. The hostess was assisted in serving by her mother, Mrs. Sowash.

Special guests were Mrs. Wilbur Mayberry and Mrs. Harold Ferver. The afternoon hours were spent with 500, and prizes were won by Mrs. Cecil Gordon and Mrs. Harold Ferver.

In two weeks, Mrs. William Fox, Sheridan avenue, will be hostess.

Wednesday Bridge Club
Members of the Wednesday Bridge Club met in the home of Mrs. Clarence Jurett, Ray street, Wednesday afternoon. Bridge was the chief pastime, and prizes were won by Mrs. Norman Keffer, and Mrs. Harold Wharton. Mrs. Thomas Dugan was a special guest.

Delicious refreshments were served later by the hostess. The members will meet in two weeks with Mrs. Norman Keffer, Walnut street.

Wimodausis Members To Have Luncheon
Wimodausis members will have their March luncheon at the Cathedral, on Wednesday, March 13, at 1 o'clock. Mrs. G. D. Hildebrand and Mrs. F. C. Beer will serve as the committee, and the program will be in charge of Mrs. V. C. Wagner.

Those planning to attend will notify Mrs. G. D. Hildebrand 2462-J, not later than Monday.

Friday's Clubs
East Side Social club, Mrs. W. G. Hughes, Beckford street.

G. A. P. Kensington, Mrs. Ben Jones, Temple avenue.

U. C. T. auxiliary, Mrs. Grace McClelland, Pine street.

Sorosis, Mrs. M. E. Miller, Lincoln avenue.

H. B. L. Club, Mrs. George T. Ryan, Bell avenue.

Rainbow Club, Mrs. Thomas Evans, Reis street.

P. E. O. Sisterhood, Miss Anne Rice, Croton avenue.

O. J. C. Club, Mrs. Evan Lewis, Adams street.

Ramona Club, Mrs. Carl Staebler, Edison avenue.

Suits Us Club, Mrs. Bert Shumway, Neshannock avenue.

Y. O. Club, Mrs. Peg Kroen, Adams street.

1914 Book Club, Mrs. H. E. Zerner, Boyles avenue.

H. G. L. Girls, dinner at the Granada tea room.

B. D. T. club, Mrs. Jessie Michael, Lion avenue.

Basket Club, Miss Susanna Young, Hileman Apartments.

Rainbow club, Mrs. Thomas Evans, Reis street.

Vade Mecum club, Mrs. Rose Allen, Moody avenue.

Jolly Seven club, Mrs. P. J. Flansburg, Franklin avenue.

Lucky Strike club, Mrs. S. L. Barnes, Sheridan avenue.

Gleaners Class
Gleaners Class of the First Baptist Sunday School, taught by Mrs. Paul D. Weller met Tuesday evening for the regular March meeting at the church.

Following a business session an informal social time was enjoyed. Dinner was served at attractively arranged tables in the dining room by a committee composed of Mrs. Ruth Humphrey, Mrs. Loretta Bender and Miss Helen Badger. Covers were laid for 29. Mrs. L. C. Walker was a special guest.

To Give Banquet
Plans have been completed for the annual banquet of the Y. P. O. U. of the Third United Presbyterian church to be held Monday March 11.

Committee in charge of the dinner include Jane Kyle, Sue Platt, Catherine Hopper and Robert Kyle. Nominating committee, Russell McNickle, Sue Platt and Weldon Zeigler.

The event is expected to be attended by all the young people of the congregation and a fine time is anticipated.

Attends House Party
Miss Madeline Timblin, Smithfield street, and Miss Inez Stern, E. Washington street, have returned from Harrisburg, where they were guests at a house party given by the Beta Chi Alpha Fraternity of Beckley College.

ENTERTAIN BUILDERS WEDNESDAY EVENING

At the close of the stated meeting of the Order of Rainbow for Girls, Wednesday evening at the Cathedral they entertained members of the Builders and their girl friends at a most delightful social.

About 325 were present. Music was furnished by the Builders orchestra and dancing was enjoyed.

Delicious refreshments carried out in the rainbow and Easter colors were served.

Members of the advisory boards of the Rainbow and Builders organizations and W. H. Dunlap of the Builders for Western Pennsylvania championed the party.

This was the first social affair given by members of the Rainbow for girls and proved a most decided success.

On account of the dress rehearsal for the play "Parr" the stated initiation for the Order of the Rainbow for Girls will be changed from March 20 to April 3.

**Kensington Members
Guests at Luncheon**
Mrs. F. G. Beer and Mrs. William Sterling were joint hostesses at a 1 o'clock luncheon in the Y. W. C. A. Wednesday for members of the N. H. Kensington. St. Patrick's novelties were used in decoration and covers were arranged for 10 guests. Special guests were Mrs. Charles Carpenter of Youngstown, O., and Miss Florence Davis.

After luncheon hours were spent socially.

Plans were made for the annual banquet to take place in the Y. W. C. A. Tuesday, March 19, at 8:30 o'clock with the husbands as guests. Arrangements are in charge of Mrs. L. C. Houston, Mrs. Harvey Martin, Mrs. Harvey Cooper and Mrs. Clyde Griffith.

**Evening Bridge
at Field Club**
Eleven tables of bridge were in play at the evening bridge in the New Castle Field Club, with Mr. and Mrs. C. J. Kirk and Mr. and Mrs. W. Keith McAfee as the committee.

Prizes for the evening were won by Robert Garland, Miss Sara Newell, Miss Pauline Gilkey and R. C. McKinley.

Several dinner parties preceded the bridge party.

The next bridge party will be Thursday evening, March 21, with Mr. and Mrs. Raymond Swank and Mrs. Harold Bleakley as the committee.

Monday evening, March 11, the men will have a smoker, and Tuesday, March 12, will be the luncheon-bridge, with Mrs. Harold Bleakley and Mrs. E. E. Hileman.

Banquet at Plaingrove
The Bible class of the Plaingrove Presbyterian Sunday school taught by Rev. A. L. Dickenson held a banquet in the church dining room Friday evening.

An elaborate chicken dinner was served to 125 guests by the committee consisting of Mr. and Mrs. John C. Sankey, Mr. and Mrs. Clifford Martin, Mr. and Mrs. Philo Rogers, Mr. and Mrs. Bert Martin, Mr. and Mrs. Burd Studebaker and Mr. and Mrs. William Cunningham.

Mr. and Mrs. J. C. Offutt of New Castle were special guests. Mr. Offutt being a former superintendent of the school. During the dinner the Plaingrove orchestra gave several selections. Howard Pizer was the toastmaster of the evening.

Talks were given by Rev. Dickenson and W. J. Offutt and a reading by Clifford Martin and music by Russell and Vera Pizer. Selections by a quartet comprised of Charles Eppinger, L. E. Pollock, Clarence Stevenson and W. R. Miller. A brief talk was also given by J. B. Studebaker.

Patterson Circle
Miss Agnes and Georgiana McNeese entertained the members of the Patterson Circle of the First Presbyterian church at their home on Fairmont avenue at the March meeting Tuesday evening. Following the devotion at hour led by Mrs. Frank McCreary a missionary program was carried out in charge of Dorothy Gemmill. The retiring president, Mrs. Carl Dufford was in charge of the business meeting.

During the social hour refreshments were served by the hostesses. The new officers will be in charge of the next meeting in April.

1919 Kensington
Mrs. J. R. Meares, Butler avenue was hostess to the 1919 Kensington members in her home, Wednesday evening. During the business session the following officers were elected for the ensuing year. President, Mrs. J. R. Meares, treasurer, Mrs. M. J. Young, and reporter, Mrs. W. H. Rodgers.

The remainder of the evening was spent socially, and Mrs. James Jackamo assisted the hostess in serving dainty refreshments.

In two weeks, Mrs. D. D. Valensi, Lincoln avenue, will entertain.

Evening Party
Mrs. R. L. Coulter, Harrison street, entertained a number of guests Wednesday evening in honor of her daughter Martha. Games and orchestra music formed the pinnacles of the evening and Billy Schoenfeld was the prize winner.

Refreshments were served by the hostess, assisted by Mrs. A. B. Coulter and Mrs. W. H. Schoenfeld.

The guests included Mary Loveridge, Martha Coulter, Dorothy Baldwin, Donald Hackett, Frank Grick, Billy, and David Schoenfeld, and Charles Coulter.

Watt-Jones
Mr. and Mrs. Adrian C. Watt of Willard avenue announce the marriage of their daughter, Alberta Mae, to William Harold Jones, son of Mr. and Mrs. W. T. Jones of Newell avenue. The ceremony took place on Wednesday, March 6, with Rev. David Daye Steppy, pastor of the Mahoning M. E. church, officiating.

The bride and groom have gone to housekeeping in rooms at 607 Newell avenue where they are at home to their friends.

Celebrate Birthday
Honoring the 11th birthday of their son Arnold, Mr. and Mrs. Floyd Morris of the Mercer road entertained at a surprise party in their home Wednesday evening.

The guests, numbering 27, were entertained with games and music and the guest of honor received a number of lovely gifts.

A large birthday cake centered the table and the hostess was assisted in serving dainty refreshments by her daughter Orpha.

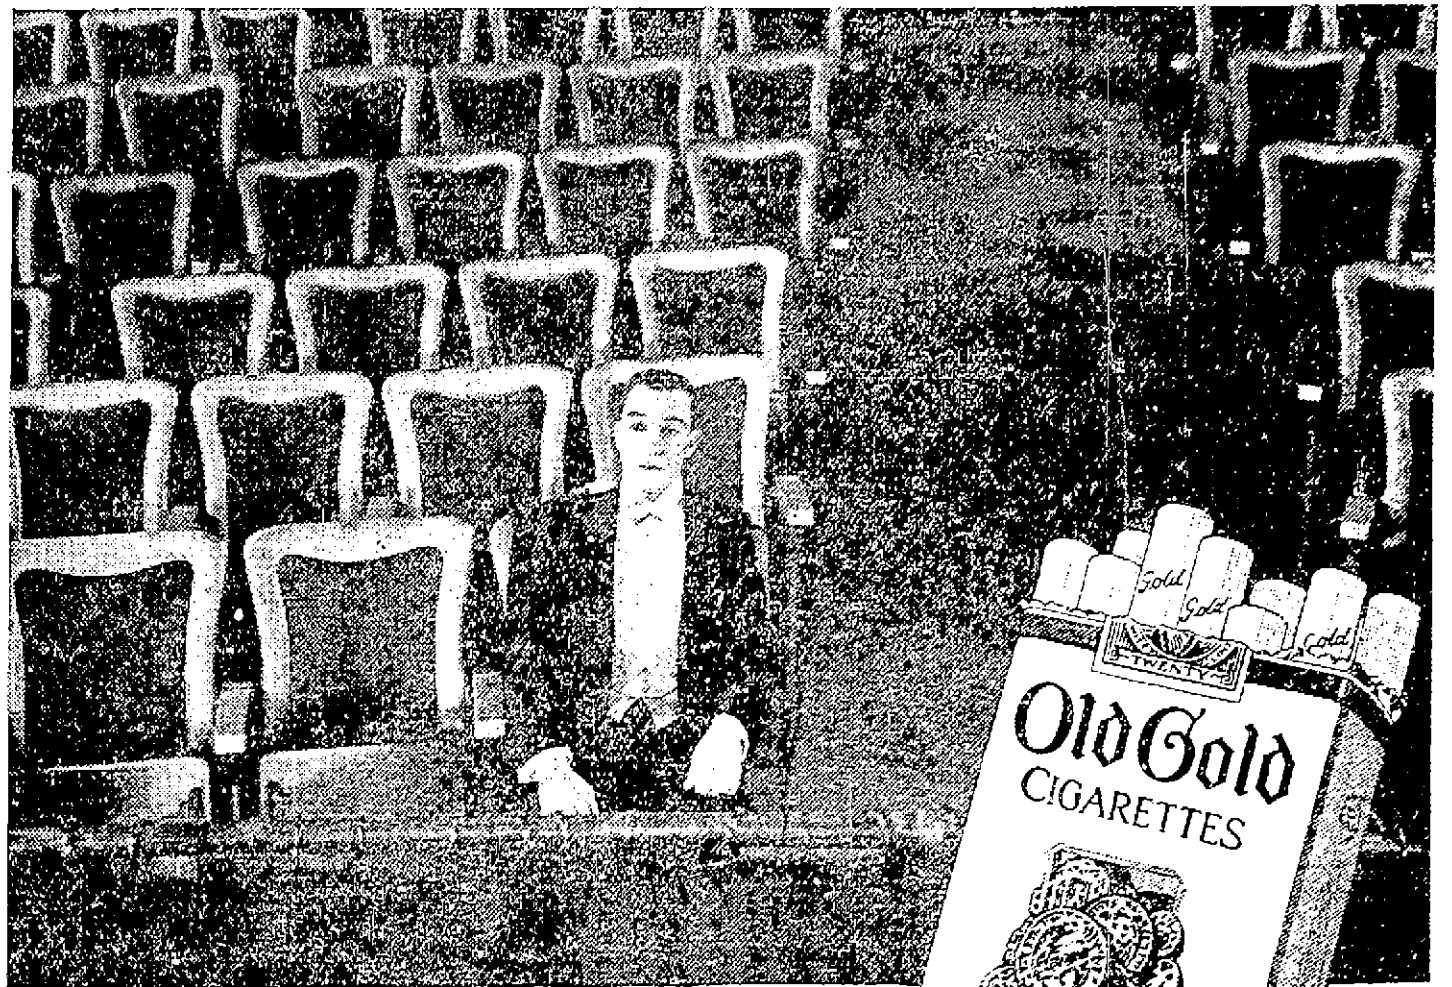

Y. O. A. Girls
The Y. O. A. Girls were pleasantly entertained in the home of Mrs. G. Wilfred Thomas, Maryland avenue, Wednesday evening. The hours were spent socially, with Kensington and chat.

Delicious refreshments were served carried out in St. Patrick's tones, and the hostess was assisted by Mrs. Raymond Rhodes.

In two weeks, Mrs. Milton Marshall, North Walnut street will entertain.

A. N. O. Club
A. N. O. club members had their regular meeting with Mrs. Peg Fletcher, E. Washington street. The hours were spent socially with games and prizes were won by Mrs. Jack

DOCTOR SHOWS QUICK WAY TO END COLDS

**Many Here Find Hospital Method
Is Pleasant for Use at Home
—Ends Cold in Few Hours**

Urging the danger of neglecting a cold during pneumonia weather, hospital physicians are recommending for home use a remedy that brings quick, sure relief, even in extreme hospital cases. And numbers of New Castle people find that it is not only inexpensive but pleasant to take and ideal to end a head cold, cough or chest cold.

J. H. Driscoll, for example, had neglected a head cold until congestion spread down into his chest, bringing on a fever of 101. Fearing pneumonia then, he called his doctor, who advised double strength doses of Ayer's Cherry Pectoral, a concentrated mixture of wild cherry, terpin hydrate and other ingredients recognized as the most effective for severe colds.

With the first pleasant swallow he felt its comforting, healing warmth—from his nose passages deep down into his chest. In a few hours the "fervid, grippy" feeling began to disappear, and in another day or so, the doctor

reports, he was completely rid of the cold.

Notes: See other case reported daily with written by the attending physician.

Just a spoonful of Cherry Pectoral today and you will feel like a different person tomorrow. At all drug stores.

"He'll ask me now—
every skin blemish is gone"

THERE is more than just the satisfaction of having a clear skin. Joy, yet to be realized, makes it a requirement. Good society, in fact, demands it.

Skin troubles are a detriment to one's happiness. They embarrass. Hold you back—so to speak.

To have a clear skin, glowing complexion, energy, vitality and the blessing of good health, you must keep your blood in good condition. You owe it to yourself. Your friends expect it of you.

Skilled physicians recognize the appearance of pimples, boils, eczema and other skin eruptions as being an indication that the body's power of resistance is low, due generally to a deficiency of red-blood-cells.

The sure way to remedy this

condition is to restore the red-blood-cells to normal.

This is why so many thousands have been enabled to free themselves of these unsightly blemishes and painful skin annoyances by taking a course of S.S.S.

S.S.S. helps Nature restore the blood to its normal state. Healthy blood nourishes the body and works against infection and disease.

Without plenty of rich, red blood there could be no strong, sturdy, powerful men, or healthy, beautiful women.

Take S.S.S. at bedtime. You will be delighted with its blood building and tonic effect.

All Drug Stores sell S.S.S. Ask for the larger size. It is more economical.

a clear skin comes from within

Two Meet Death As Auto Crashes

BRADFORD, Pa., March 7.—Two Salamanca, N. Y., youths were killed early Wednesday and two others injured when the truck in which they were enroute to Olean crashed into a telegraph pole on a curve near St. Bonaventure College, Allegany, N. Y. Merle Follows, 21, a nephew of the chief of police of Salamanca, and Leo Robert O'Laughlin, 20, were killed, while Warren Brown, 20, owner of the truck and Joseph Saffron, 22, were injured.

The four had been in Olean for a game and had returned home to find the machine.

Salamanca when for some reason they started again for Olean when they crashed into the pole on the curve.

Follows died soon after the accident, while O'Laughlin died in the Mountain Clinic, at Olean. The other two were taken to the Olean institution.

Cattaraugus county authorities are investigating.

COMPARING COMFORTS

"Do you think wealth brings happiness?"

"No," answered Mr. Dustin Stax.

"In days of privation I had more comfort when I was under than I am now when I overeat."—Washington Star.

Efforts to suppress noise go on for a while, like the brook, but the brook game and had returned home to find the machine.

SAVE SYSTEMATICALLY

House Passes Sterling Bill Ready

HARRISBURG, March 7.—The House Wednesday finally passed the Sterling bill creating a department of revenue proposed by the administration. The vote was 176 to 1. The lone negative vote was cast by Representative Barton, Fulton.

Representative Spangler, York, who led the opposition to immediate consideration of the bill voted for its passage.

Spangler precipitated a debate when he attempted to postpone action on the bill until next Monday night. Spangler, former speaker of the house who was ousted in a rump session in 1919, made a determined stand to delay action by stating that he did not believe members were acquainted with all its provisions.

Representative Sterlino, Philadelphia, sponsor of the bill, arose in defense of immediate consideration and pointed out that the only question before the house was the final action on the measure and that the discussion on postponement was out of order. He was sustained by the speaker.

Coke Production Displays Gain In Tonnage For Week

CONNELLSVILLE, Pa., March 7.—The largest gain coke production tonnage in any one week this year was reported at the furnace here for the week ending March 2. It was learned today by International News Service.

The total was 78,220 tons, exceeding by 5,730 tons the peak week of 1928. The marked improvement in output was due in considerable part to the resumption of activity at three plants of the H. C. Frick Coke Company.

The gain in merchant production was almost double. By interests the output was: furnace 17,700 tons, a gain of 6,700 tons; merchant, 60,520 tons for an increase of 3,590 tons. A total of 876 ovens were fired, 726 at furnace plants and 150 at merchant.

This was the largest number of ovens in many months.

Contracting for the second quarter delivery is occupying the attention of coke makers at this time. The strength of the market has acquired recently has disposed them, or the majority, to hold out for better prices for the period beginning April 1.

Some of the larger operators are reported asking \$3.15 to \$3.50. The latter figure is asked by some who have been out of the market and who feel they would not be justified in resuming operations for less.

The spot furnace market is quoted at \$3 to \$3.10.

TRINITY LADIES GO TO YOUNGSTOWN, O.

A large group of ladies of Trinity Episcopal church motored to Youngstown this morning, where they will spend the day in attendance at a meeting held in that city for the women of the Episcopal church and the principal purpose of which is a national representative of one of the women's organizations of that church.

EGGS TAKE LONG JOURNEY

Thirteen per cent of the eggs eaten in New York City come from the Pacific coast.

AMERICANISM: Making a machine to make more goods to encourage more waste to keep the machine busy.

Extensive preparations are being made by Harry L. McBride Post, Veterans of Foreign Wars, for the coming of State Commander James A. Van Zandt of Allegheny, on Monday, March 18th, at which time a big banquet will be tendered him.

The affair is to be in the nature of a joint meeting between the Post and its auxiliary, and a fine program is being arranged under the direction of Ralph Montgomery, chairman of the committee.

The post has been staging a membership drive and a great many new members will be obligated by Commander Van Zandt at the meeting.

Under the leadership of Commander Orville Potter, the post is making rapid strides, and is now in a flourishing state, both in point of membership and financially.

HARLANSBURG

HIGH SCHOOL NOTES

Harlanburg high defeated Princeton 51-6.

The lineup as follows:

Harlanburg 51 Princeton 6

J. McCracken, P. Donaldson

S. McCracken, P. Lapinsky

Johnston, C. M. Lapinsky

H. McCracken, G. Myers

Montgomery, G. McConnell

Subs—Cunningham, Currie

Field goals—McCracken 7, S. McCracken 5, Johnston 6, Montgomery 3, Lapinsky, Myers, Cunningham 2.

Fouls—Harlanburg 5-8, Princeton 3-11.

Referee—McCandless.

Scorer—Brown.

Timekeeper—Cunningham.

The preliminary was played between the Princeton girls and Harlanburg, the first half being very exciting. Turner, the Princeton coach, occasionally inspired his team with a new substitute. The half ended 11-3 Harlanburg. During the second half the tide changed, the Princeton girls being unable to keep the pace which they had previously accelerated. The game ended Harlanburg 35, Princeton 16.

The lineup as follows:

Harlanburg 35 Princeton 16

R. McCracken, P. McCormick

M. Brown, P. Wise

M. McCracken, C. Sheelar

Loke, S. C. Croup

Harlanburg, G. McCandless

Eakin, G. Henry

Subs—Leitch, Davis, Alexander

Field goals—McCormick 2, Sheelar 7, R. McCracken 7, M. McCracken 7, Harlanburg.

Fouls—Harlanburg 5-9, Princeton 2-10.

Referee—McCandless.

Scorer—Brown.

Timekeeper—Cunningham.

The following pupils of Harlanburg high school for the month of February were not absent: Cunningham, Cramer, Harold Glenn, Howard, McCracken, Joseph McCracken, Gaylord, McCandless, Raymond McCandless, Ralph Walton, Norman Montgomery, Nellie Alexander, Mary Zwick, Irene Eakin, Lela Moorehead. The following pupils have not been absent during the term: Nellie Alexander, Irene Eakin, Norman Montgomery. The percentage for the boys for the month of February is 98 and for the girls 98.

Primary room—Those not missing a day in the month of February are as follows: Presley Burnside, Charles Mallinak, Ernest Mallinak, George Sarver, James Shaw, Glenn Thompson, Lois Eakin, Emma Johnston, Neta Macon, Dorothea McKisick. Those not absent for the term are:

Are You Sterling Bill Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yes you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot put away. And it's always ready for the crueler paroxysms of colic, or constipation, or diarrhoea; effective, too, for older children. Twenty-five million bottles were bought last year.

"By Joe! it's good to smoke Luckies."

Felix Count Luckner

"Lucky Strikes? By Joe, yes. Let me tell you. I was cruising in my raider in the South Pacific. It had been damp, rainy weather and every bit of tobacco we had on the ship was mouldy and could not be smoked. We began to be desperate. The men were—what you call—grouchy. Along came an American ship. We captured her and after taking the captain, officers and crew aboard my raider and finding comfortable places for them to stay, I and my officers went over to the captured ship to see if there was anything aboard her that we wanted. We searched her. And what do you think? Under the cushions of a seat in the captain's cabin we found 500 packages of Lucky Strikes! I tore off the end of one and lit it and filled my lungs with it, and by Joe, I was a man again. We had enough for all the crew and we were all cheered up and we all became friends once more. By Joe, I was sorry to sink that American ship that had brought us those smokes. Lucky Strikes, they are wonderful, and my Countess, of course, wishes a fashionable, slender figure. She smokes Lucky Strikes when she is offered fastening sweets. And my life has always been an active one and I must be trim and fit. I love to feel what you Americans call 'peppy.' So no sweets for me. Give me a Lucky Strike instead. By Joe, it's good for us to smoke Luckies."

COUNT FELIX VON LUCKNER

Note: Authorities attribute the enormous increase in Cigarette smoking to the improvement in the process of Cigarette manufacture by the application of heat. It is true that during 1928, Lucky Strike Cigarettes showed a greater increase than all other Cigarettes combined. This confirms in no uncertain terms the public's confidence in the superiority of Lucky Strike.

Mother Of Four Given Sentence In Rum Selling

PHILADELPHIA, March 7.—Mrs. Jennie Kardos, attractive 35-year old mother of four children, gained the questionable distinction of being the first woman ever sentenced to prison in this district for violation of the

prohibition laws when she was sent to the Mercer county jail at Trenton, N. J., for four months by Federal Judge J. W. Thompson.

Frank the vendor's husband also was given four months in prison. The couple were convicted in January of operating a still-gallon still in Lower Merion, between near Bethlehem.

Mrs. Kardos, 36-year old parents will care for the children, the eldest being only 12 years old, while the couple serve their prison terms.

Legislature Is Getting Action

Slow Session Begins To Warm Up As Close Is Nearing

SESSION TO END ABOUT APRIL 18

HARRISBURG, Pa., March 7.—While the General Assembly has accomplished little since the opening session, there will be plenty of action from now until April 18, the date set for adjournment. The proposed action was to start after the inauguration of President Herbert Hoover, and it did, the day after.

The first bill which has had the pressure of the administration forces back of it was passed on Wednesday, March 6, this being the revenue code. House bill 915, sponsored by Representative Philip Sterling of Philadelphia.

Tried To Postpone
The amended copy of the bill was on the desks of the members only a few minutes before the bill came up for final passage, and because of this, Rep. Robert Spangler of York, one-time speaker of the House, asked that it be postponed until next Monday evening in order to allow the members a chance to familiarize themselves with the bill.

Immediately the pressure started, and administration leaders argued against the postponement. The vote to postpone was defeated and the bill was then passed. Following this came bills 916, 917, 918, 919, 920, all companion bills of the revenue code act, and with the least of strength showing the administration forces firmly in the saddle no fight was staged.

The drive for legislation will gather speed next Monday evening. The Jones repealer and the anthracite tax have been reported out of committee. The metropolitan area bill has been

presented to the governor. The general appropriation bill is to come, as well as the various other appropriation bills. The Sunday opening forces open their drive Tuesday at noon with a luncheon to the General Assembly, and the coal and iron policy bill is now in course of preparation. From now until April 18 there will be plenty of action, with some possibilities of storms ahead. Rumblings of a postponement of the day of adjournment have been heard, but these it is expected will be quieted.

In Religious and Fraternal Circles

Orange Ladies.
Orange Ladies No. 129 will meet this evening in the Glendon hall at 7:30 o'clock. A card party will follow the regular meeting.

Croton M. E.
Members of the Rose of Sharon class of the Croton M. E. church will meet this evening in the home of Miss Elsie Warner, Becker street.

Prayer Meeting.
Cottage prayer meeting will be conducted at the home of Mr. and Mrs. C. L. Honn, corner of Temple and Avenue A, Friday evening, at 7:30 under the auspices of the Hoover Heights Tabernacle.

W. A. C. Class.
W. A. C. Class of the Wesley Methodist church will meet at the home of Mrs. Etta Chamberlain of Croton avenue, Friday evening.

Review No. 98.
Review No. 98 Woman's Benevolent association will hold their regular meeting in the K. of P. hall, East Washington street, Friday evening at 7:30. After the regular meeting there will be a card party in the review hall.

King's Sons.
King's Sons class of the Third U. P. church will meet Friday evening at the home of Arthur Kemp 1221 Finch street.

Deacons Meeting.
The regular monthly meeting of the deacons of the First Baptist church will be held this evening. Dinner will be served at 6:30 in the church dining room by the deacons' wives.

BIRTHS

(Announcements to appear in this column must be signed with name and address of writer.)

Officer Letera Is Guest Of School

Robert Letera, member of the police force of this city was the guest of Prof. J. M. Hughes, principal of the Lincoln-Garfield school Wednesday afternoon and had the pleasure of seeing how many hundreds of children are systematically handled and trained. He was especially interested in the manner in which the children maintained their lines of traffic so to speak, in going from classroom to classroom. He addressed a number of groups of the boys and girls, telling some of the duties of a police officer and others the effect of doing things that were annoying to others and caused the police officers to be called.

With New Castle Afro-Americans

Debating Team
Rev. William Hodge, pastor of the Bethel A. M. E. Zion church and Rev. C. D. Henderson, pastor of the Union Baptist church have formed a debating team. They expect to hold several debates in a number of towns in Western Pennsylvania.

The subject for discussion is "Resolved that the Moral Standard of the Present Generation is lower than the Former." Affirmative, Rev. Henderson and negative, Rev. Hodge.

The first debate occurred at the Union Baptist church. According to the judges it was a tie. The second took place at St. Luke's A. M. E. Zion church. The judges decided in favor of the affirmative.

The crowds at both places were large and enthusiastic.

Bethlehem Class.
Bethlehem Bible class will meet Friday evening at 7:30 in the Second Baptist church.

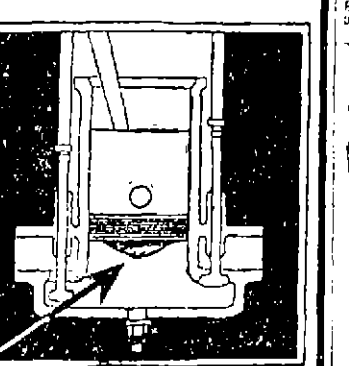

O. D. 500 Club.
Members of the O. D. 500 club met with Mrs. May Weiss, Maryland avenue, Wednesday afternoon. Two tables of 500 were in play and prizes were won by Mrs. LaVerne Price and Mrs. Della Davis.

In a week Mrs. Nellie Moncrief, DuShane street, will entertain.

MAGNESIA BEST FOR YOUR INDIGESTION

Wares Against Doping Stomach With Artificial Digestants

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discovered that the use of harmless, natural foodstuffs, and the use of artificial digestants, and instead, following the advice so often given in these columns, take a teaspoonful or four tablets of Eucalypt Magnesia in a little water after meals with the result that their stomachs no longer trouble them, they are able to eat as they please, and they enjoy much better health. Those who use Eucalypt Magnesia never doubt the approach of meal time because they know this wonderful, anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acid, the sweetest, privatest, most potent food fermentation, and make digestion easy. Try this plan yourself, but be certain to get Eucalypt Magnesia especially prepared for stomach use.

The loss of power, pep, in your car, after the summer running, simply means its time for cleaning out the carbon, a general looking-over and the necessary repairs made in time.

Keep your car up and expenses down by having us do the work.

Splendid Recipe To Stop A Cough That "Hangs On"

The best cough remedy that money could buy, can easily be made at home. It saves money and gives you the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs and chest colds, giving immediate relief, is astonishing.

Any druggist can supply you with 2½ ounces of Pinex. Pour this into a pint bottle, and fill up with plain granulated sugar or strained honey. It's no trouble at all to mix, and when you once use it you will never be without it. Keeps perfectly and tastes good—this is really like it.

It is surprising how quickly this home-made remedy loosens the germ-laden phlegm, and soothes and heals the inflamed membranes. At the same time, it is absorbed and enters the blood, where it acts directly on the bronchial tubes, and helps the system throw off the whole trouble. Even those severe coughs which usually follow the "flu", are promptly ended.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of severe coughs, chest colds and bronchial troubles.

It is an excellent substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

Opportunity To Enlist For Tropical Service

There is a limited opportunity for young men desiring service in the Philippines with the United States Army to enlist at the present time, according to Sergeant C. E. Young, officer in charge of the city hall army recruiting station.

There are 30 men wanted for infantry service there and 40 men for service in the coast artillery corps. The boat conveying these recruits to that place will start about April 7 and it is therefore necessary for the men desiring this service to enlist at once.

The men enlisting for this service must be at least 18 years of age, must be at least 5 feet 6 inches tall, must be of good physique, and must be able to read and write English.

It is also necessary to get busy at once, if this service is desired, as this branch of the service will not be open long with only that small number of men wanted.

BELIEVE INCENDIARY RESPONSIBLE FOR FIRE

ROCHESTER, Pa., March 7.—Damage estimated at \$8,000 resulted and nearby buildings were endangered when fire, believed to have been of incendiary origin, broke out in the stock room of the Modern Brothers Lumber company, North Rochester.

Fire Chief Charles Christopher of North Rochester township reports when the fire department arrived the doors of the building had been forced open and burlap sacks ablaze were found beside a pile of lumber. Owners of the building, however, say the sacks had been placed under the rafters to store snow drifting through into the building. There was no heating apparatus of any kind in the building. The loss is covered by insurance.

Y. W. C. A. Notes

HEALTH CLASS.
The Evening Health class of the Y. W. C. A. will have class this evening in the Y. W. gymnasium.

TRIANGLE CLASS.
Blue Triangle club will meet Friday evening for dinner in the third dining room of the Y. W.

MOTORMAN IS ILL.
Only one employee of the Pennsylvania Ohio railway operating force is on the sick list, according to a report received today. The employee is Andrew Kellner, motorman, who resides in Winslow avenue. He has an attack of la grippe.

Piles Disappear

No Cutting or Salves Needed
External treatments seldom banish Piles. Nor does cutting remove the cause. The cause is inside—and circulation. The blood is stagnant, the veins flabby.

The bowels are weak, the parts almost dead. To quickly and safely rid yourself of piles you must free the circulation—send a fresh current through stagnant pools. Internal treatment is the one safe method. Ointments and cutting won't do it.

J. S. Leonhardt, M. D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and tried it in 1000 cases before he was licensed to practice. HEM-ROID is sold by druggists everywhere under guarantee. It is a harmless tablet, easy to take, and can always be found at McKee's Rut. Rate Store, Eckerd's of New Castle, Inc., who will gladly refund the purchase price to any dissatisfied customer.

MILES OF WIRE LEVELLED BY STORM

UNIONTOWN, Pa., March 7.—Scores of telephone and electric light and power poles were leveled and hundreds of phones were put out of commission by a blizzard which swept Fayette county last night and this morning. The storm seemed to hit the Republic district the hardest. In the vicinity of Ronto 14 poles were blown down. The West Penn Power company suffered damage to its power lines and a transformer at the Sterling Coal company plant was burned out.

Squeezes Fuel Gas Out Of Old Iron And Steel

PITTSBURGH, March 7.—Believe it or not, but iron and steel can be squeezed with a big old kitchen squeezer. Motorists can run their "gasoline engines" with a spare wheel or a set of fenders as fuel. For when the fuel tank is empty on the road just remember there is enough gas soaked away in the car's iron and steel to run it for miles and a few old stove lids or "grates" contain enough fuel to boil the morning coffee or fry the ham and eggs. The trick is to get it out, and a man in East Pittsburgh can do it. He is N. A. Ziegler, scientist in the Westinghouse Research Laboratories. Ziegler squeezes fuel gas out of iron and steel like water from a sponge. An old Ford piston, for instance, gives up 33 times its own volume of fuel gas, wrought iron and steel in less amounts. This gas which burns with a pale blue flame can be used to operate a gas stove and with proper carburetor adjustments an automobile. A couple of cubic feet of cast iron gives enough gas to furnish about ten horsepower for 12 minutes. While automobiles have usually been operated from liquid fuels it will be remembered that during the war on South street.

To Oust Teacher, "Charleston" Dance Taught In Class

International News Service. BELLAIRE, O., March 7.—Accused of teaching her pupils to dance the Charleston, and with "inefficiency and neglect of duty," Miss Ruth Timmons, teacher at the White Oak schoolhouse near Lamira, faces the Richmond township school board this afternoon. Six residents, whose children attend the school, petitioned the school board to oust Miss Timmons. The board set today for the hearing. Parents signing the petition set forth that in their opinion, Miss Timmons has shown evidence of a lack of proper scholarship; that she has failed repeatedly to come to school on time; that she has neglected to keep proper oversight of pupils outside the schoolroom; that she has failed to carry out the work as outlined by the Belmont county school authorities and that she has taught the children to "do the Charleston."

AGED LADY SAYS TEN HERBS DID WONDERS FOR HER

Ended Dizzy Spells, Stomach Misery, Nervousness And Pains In Back.

"Ten Herbs certainly has done wonders for me," was the recent statement of Mrs. L. H. Falkner, of Cabot, Butler, to the Ten Herbs Man, who is at the Eckerd's of New Castle, Inc.

MRS. L. H. FALKNER

Franklin Gripped By Big Blizzard

International News Service. FRANKLIN, Pa., March 7.—A March gale which developed almost the proportions of a blizzard swept through this region today, forcing motorists to seek shelter. The thermometer dropped 33 degrees in five hours. The high wind blew a tree against the Egbert Memorial fountain in the city park, shattering both arms of one of the bronze figures.

30 East Washington Street, New Castle, where he is daily demonstrating this great natural medicine. "I think Ten Herbs should be more widely advertised so that others may learn of it and be benefited as I have been," continued Mrs. Falkner, who is 71 years of age and whose husband is a blacksmith. "I had been troubled with dizzy spells for a long time and was not able to find any relief. I also had stomach trouble. Gas and bloating kept me feeling miserable. My appetite was poor, and what I ate did not seem to do me much good. My nerves were in very bad condition, and I had trouble getting a good night's rest. I got such little sleep I never felt rested. I was bothered with neuritis in my arms and hands. Upon arising in the morning there would be pains across my back and I would feel terribly tired. While doing my housework I would become so played-out that I would have to stop and rest awhile. "A friend told me how good Ten Herbs had done her and advised me to try it. I found Ten Herbs a splendid medicine. I never have any more of those dizzy spells that troubled me so long. My stomach is in fine condition. I can eat anything anytime without having distress afterwards—no more gas and bloating. Biliousness has been relieved. Neuritis has left my arms and hands. My nerves are stronger. I sleep good at night and get up in the morning feeling rested and free of pains across my back. I do not tire out while doing my housework like I used to. I gladly recommend Ten Herbs to other sufferers." The wonderful herbal ingredients of Ten Herbs not only relieve disorders of the stomach, liver, kidneys and bowels, but seem to have a cleansing, soothing, correcting action on the whole system. The Ten Herbs Man is at Eckerd's of New Castle, Inc., 30 East Washington Street, New Castle, where he is daily meeting the public and explaining the merits of this medicine.

Marital Law Is Declared In Juarez

International News Service. EL PASO, Tex., March 7.—Gen. Matias Ramos, former assistant secretary of war in President Porfirio Gil's cabinet at Mexico City, arrived here by airplane today. After conferring with Mexican Consul Enrique Lickens, he crossed to Juarez. Marital law was declared in Juarez. Mayor Augustin Gallo, Tax Collector Jorge Cardenas, Chief of Police Emundo Herrera and other officials in Juarez suspected of sympathy for the rebels were jailed.

Y. M. C. A. NOTES

NEWSIES. Members of the Fred Rantz N. B. club are meeting this evening at 7:15 o'clock at the Y. William Thomas, boys director will have charge of the meeting. ADDRESS POSTPONED. The address of Frank L. Burton, principal of the George Washington Junior high school at the Hi-Y club meeting of that school Wednesday evening in the Y had to be postponed due to an unavoidable engagement of Principal Burton. The junior high school principal will address the club at a meeting in the near future. POLLOCK IN CHARGE. Clifford Pollock, president of the Hi-Y club will be in charge of the Hi-Y club meeting which will occur Friday evening at the Scioto street neighborhood house. Mrs. Cassie Jones of Lincoln avenue has been admitted to the New Castle hospital for treatment.

Six Gangsters Taken In Raid

Believed To Be Connected With Recent Chicago Gang Massacre

(BULLETIN) International News Service. CHICAGO, March 7.—Acting upon secret information obtained from New York police, detectives here today swooped down upon an alleged hangout for hoodlums and gunmen, and arrested six gangsters in connection with the massacre here of seven members of George "Bugs" Moran's north side gang. The names of the men and where they were captured were guarded closely by detective heads. That the arrests had something to do with the seizure of John Scallie, notorious gunman, and twice tried and acquitted for the slaying of two policemen, detectives admitted. At the same time it was learned that District Attorney Charles J. Todd of Brooklyn and two Brooklyn detectives were en route to Chicago to check evidence linking Jack McGurn, Capone gangster, charged with the murders, and two St. Louis gunmen with the slaying of Frankie Dale and Arnold Rothstein.

"QUOTH THE RAVEN—" "The only trouble with us bachelors is that our names lie out." "What is your name?" "Smith."—Ulx, Berlin.

Colvin Brown Says Nation Prosperous

National Chamber Of Commerce Man Asserts People Are More Prosperous Than Ever

PREDICTS GOOD BUSINESS YEAR

"I fully believe, after having traveled extensively throughout the nation, that the coming year will be one of prosperity for the American people," replied Colvin B. Brown, national Chamber of Commerce commercial head and former commercial representative for the United States government when interviewed upon his arrival in this city shortly before noon today. Mr. Brown, an authority on business conditions in the nation, states that the country is running 60 per cent industrially at the present time. "This," he says, "is not what we should call a slump. It is the decrease back to pre-war times. During the war there was an industrial abnormality and inflation which made plants increase their production. "We are running abnormally," declared Brown, "and I fully believe that these business establishments which are not prospering have failed to keep abreast with the times." As proof of his statements, Representative Brown cited figures of life insurance, bank savings at the present time, and the ownership of luxuries by the average citizen. At no normal period in the history of the United States has the average citizen been in better circumstances. His working hours are shorter, the reimbursement is much greater and the greater part of the luxuries are in every home. Mr. Brown asked how the slump could be as severe as is the claim of many, when bank deposits of the citizenry reach a peak, and life insurance savings are enormous. "I have been with the United States Chamber of Commerce for nearly 20 years, and ever since my working age have been associated with business, privately or with the government. Never have I seen normal conditions better for the citizen of the United States."

BOYS STEAL STUFF

D. Pioletti of 1215 Croton avenue reported to the police last night that some boys had stolen some stuff from his place. Detective John Young and Officer McKee investigated and rounded up four boys who were responsible. An adjustment of the matter was arranged, the parents to pay for the stuff taken. With Hoover President we will get the opportunity to learn what the state breakfast food of California is. —The Flint Daily Journal.

Aeronautical Report Shows Big Increase In Aviation In 1928

Commercial Aircraft Production Shows Increase Of
140 Per Cent Over
1927

Estimate Planes Manufactured In 1928 Will Total
Close To \$75,000,000

NEW YORK, March 7.—The aircraft year 1928 figures released today by the Aeronautical Chamber of Commerce reveal that commercial aircraft production in 1928 was 140 per cent greater than in 1927. A further per cent at the year book shows that approximately 5,000 airplanes and 3,500 aircraft motors with a valuation in excess of \$75,000,000 were built throughout the country in the last twelve months.

Wichita, Kan., leads in the production of aircraft, according to the year book. No less than 927 planes were manufactured in the Wheat State during 1928. New York City ranks second with 857 planes, although the \$7,500,000 gross value of its output is four millions in excess of the gross value of the Wichita machines.

As a result of this busy manufacturing activity in Wichita and New York City the states of Kansas and New York rank first and second respectively in a lineup of states.

Ohio with a production of 816 planes is the third largest manufacturing state. Missouri is fourth with 726; Colorado fifth with 341; Illinois sixth with 242; Michigan seventh with 181; and California eighth with 140.

Scores of municipalities are making attractive offers of land or money to obtain an aircraft or engine factory, or to establish an air line. This, says the year book, accounts more than any other factor, for the increase in the number of aviation manufacturing enterprises in 1928. Among the cities competing for recognition as centers for aircraft production or operation are: Scranton and Pittsburgh.

Edenburg Man Is Badly Injured While Excavating

Paul Snyder of Edenburg, was admitted to the Shenango Valley hospital this morning for treatment of injuries sustained at the Metropolitan Paving & Brick Co. at Bessemer, where he was employed.

The accident happened when Mr. Snyder was doing some excavating. A large boulder was dislodged which fell on his head. An X-ray was taken of his knee to determine the seriousness of the injury.

Newer Mail Cases For Rural Carriers

Will Expedite Service On Six Routes; Old Cases Are Inadequate For Purpose

Six modern rural carrier mail cases were received at the New Castle post office today to supplement six old cases which heavy mails on certain routes out of the city have made inadequate.

The cases will be set up in the rural carriers' department and placed in use at once. A considerable number of additional pigeon holes are contained in the new cases.

Assistant Postmaster J. G. Leslie declares that rural mail service on the six routes affected would be expedited to a great extent because of the new cases. Fewer handlings will be necessary when the carriers are working their mail for the daily run.

The new cases will be placed in the use of those carriers who carry more voluminous mail.

Police Investigate Theft Of Big Drill

Detective Logan and Officer Lynch are still investigating the theft of a Vandoren Electric drill valued at \$100, from the place of business of the Penn Coal and Supply company on Moravia street, last Saturday. The authorities have a number of clues on which they are working and through which they hope to recover the drill.

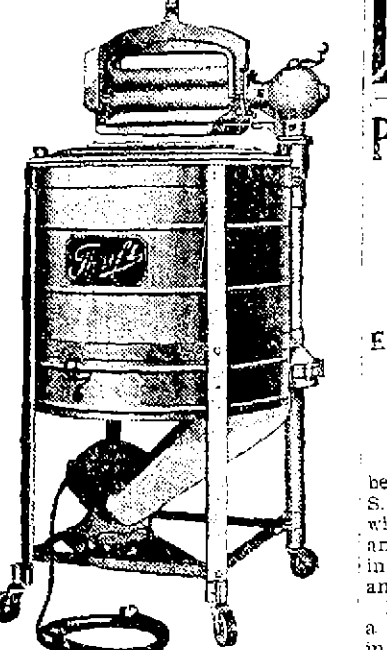

ACCIDENT OCCURS AT RAY STREET

Mrs. William Murphy of 910 Butler avenue, reported to the police Wednesday that she was driving from Ray street onto East Washington street, having stopped for the main thoroughfare and then pulled out into Washington street, having noticed no other cars, when her machine was struck and damaged by a machine bearing Pennsylvania license 715-125 which was being driven east on East Washington street at a high rate of speed.

To outsiders, an impeachment in Oklahoma seems to place too much emphasis on the "peach."

Plan Publicity Campaign During Membership Drive

Elaborate War Trophy Displays To Be Arranged In Store Windows

One big feature of the coming membership drive to be launched by Perry S. Gaston, post, American Legion, which is now being arranged, will be an elaborate display of war trophies in the windows of several local stores and business houses.

It has been some time since such a display was shown here and those in charge of the campaign believe that it would attract no little attention. Pat J. Dempsey has been named chairman of the decorations committee in charge of the event, and has asked all legionnaires and war veterans who possess these mementos of the late war to leave them at the Legion Home, properly tagged for identification purposes, or to notify him in person at the American Red Cross office, Temple building. Pictures of all veterans who were in the late war are also desired and can be left at the same place. Each of the team captains today expressed his intention of eating chicken on the night of March 12, when the big one-day drive is brought to a close, and an intense spirit of rivalry is already being worked up. Each business concern in the downtown section will be asked to display a card, giving the names of the various war veterans employed in their organization. The window of the P. & O. Electric company has already been contributed for use during the week of the drive and will be used for an industrial display.

Will Make Canvas Sunday Afternoon

Every Member Visit To Be Made By First Presbyterian Workers

On next Sunday afternoon the First Presbyterian church of this city will make its annual Every-Member-Canvas. This is the date set by the general council of the Presbyterian denomination, and will be used by most of the churches throughout the land. Ninety men are required to visit all the homes of this church. The present membership is 1920. The elders are asking that the people subscribe a Benevolent Budget of \$15,500. The trustees are asking a current expense budget of \$19,000. This makes a grand total for the church of \$34,500. The special literature prepared by the boards of the church will be distributed to the home by the Boy Scouts on Friday evening of this week. A dinner will be served in the church dining room on Sunday at one o'clock for the collectors just before they go out to visit the homes. Murrow D. Wells is the trustee in charge of the canvas.

Hoover Completing Commission To Study Dry Law Enforcement

Commission Of Five Will Investigate Law Enforcement Evils Of Prohibition

WASHINGTON, March 7.—President Hoover has about completed selection of the commission which he will appoint to investigate the law enforcement evils grown up in the prohibition situation. It was learned today. Julius Rosenwald millionaire mail order magnate and philanthropist of Chicago is to be a member of the commission according to authoritative reports. Others said to be under consideration are Curtis D. Wilbur, secretary of the navy under Coolidge, and James R. Garfield of Cleveland. Originally it was intended that there would be a commission of nine, but difficulty in obtaining the right personnel may make it a commission of five.

Seventh Ward Home Is Damaged By Fire

Fire of undetermined origin badly damaged the home of Mrs. J. Kaczmarek at 923 North Liberty street at 1:30 this morning. Mrs. Kaczmarek and members of the family were able to escape from the home in safety.

The blaze originated in the dining room of the home and spread to the living room and parlor, thence thru the ceiling to three upper bedrooms.

The damage to the building amounted to \$300 while the loss on the contents was estimated at \$200, partly covered by insurance. The home is owned by Joe Carr.

SEVENTH WARD NEWS

First Pre-Easter
Class On Friday

Rev. W. W. Sniff Will Conduct
Pre-Easter Classes In
Ward Church

The first pre-Easter class of a series of four will be conducted Friday in the Madison Avenue Christian church. The class meets right after school. It is for all children and young people of public school age, any denomination, as this class isn't for just Bible school scholars of the Christian church, but for all who desire to come.

The classes are a series in Bible study. They are being conducted by Rev. W. W. Sniff, pastor of the Madison Avenue Christian church. The next four Fridays there will be classes. The series ends the Friday prior to Easter.

Pre-Easter classes have been conducted by Rev. Sniff the past several years and have proved very successful and it is hoped the classes will be well attended again this year.

EVANGELISTIC SERVICES
Beginning Sunday evening, March 17, evangelistic services will be conducted in the Mahoning M. E. church. The services will continue for a period of two weeks with services each evening. Rev. David D. Sleppey, pastor of the church, will preach at the special services.

To date nine cottage prayer meetings have been conducted in preparation for the special services during the past four weeks. Two cottage prayer services are being conducted each week.

IN CONTEST
Junior high pupils of Mahoning school are all taking part in a subscription contest at the present time. The junior high group of the school, which 250 pupils, have been divided into sides, with 125 pupils on each side. One side is known as the Red Flashes with Ione Farver captain. The other side is the Blue Streaks with Dante D'Thomas captain. Virginia Stone is manager.

RETURN HOME
Mrs. Manly Broadus and daughter Mildred of Fourth street returned home Wednesday morning, having spent a few days with her sister at her home at Hyattsville, Md. On Monday they were in Washington, D. C., attending the inauguration.

CONCLUDE VISIT
Mrs. George Kremer and daughter Edith have returned to their home in Brownsville, Pa., after visiting the former's daughter, Mrs. Harry Craven of N. Liberty street.

McCOY BIBLE CLASS
The McCoy Bible class of the Mahoning M. E. church had their monthly social meeting Wednesday evening in the church following the mid-week prayer service. About 14 were present. There was a brief business meeting after which a social time was spent in chat.

COTTAGE PRAYER SERVICE
Cottage prayer meeting will be conducted this evening in the home of Dr. and Mrs. C. W. Davis of North Cedar street. This is the second cottage prayer meeting for this week to be conducted by the Mahoning M. E. church congregation.

Crescent tonite. Rod La Rocque in "Hold Em' Yale." Hear Yale songs on Duotone.

ENTERTAINING CLASSES
Sabbath school classes of the Madison Avenue Christian church taught by Mrs. W. W. Wald and Mrs. J. M. Bevan will be entertained Friday evening in the home of Mrs. Wald on West Clayton street. Hours are from seven until 9:30.

ORCHESTRA PRACTICE
Friday evening at 7:30 in the Madison Avenue Christian church there will be orchestra practice.

FINAL VARSITY GAME
Mahoning school basketball varsities played their final league basketball game on Wednesday.

ALWAYS DEAD TIRED?
How sad! Sallow complexion, coated tongue, poor appetite, bad breath, pinkey skin and always tired. What's wrong? You are poisoned. The bowels are clogged and liver inactive. Take this famous prescription used constantly in place of calomel by men and women for 50 years—Dr. Edwards' Olive Tablets. They are harmless but very effective. A compound of vegetable ingredients and olive oil. They act easily upon the liver, free the system of poison caused by faulty elimination and tone up liver.

Be beautiful. Have rosy cheeks, clear eyes and youthful energy that make a success of life. Take Dr. Edwards' Olive Tablets nightly. Know them by their olive color. 15c, 30c and 60c.

Wonderful for Piles
Suffered For Years; Says There's Only One Remedy

John O'Leary, Buffalo, for 14 years Supervisor of the Second Ward, wants to pass the good word along.

"Take it from me," says Mr. O'Leary, "when you suffer from piles for many years, I did, and tried all kinds of remedies without any success, you'll be glad to say a good word for the only remedy that is any good."

"Peterson's Ointment did me of piles so quickly that I was astonished. I felt somewhat pained, however, to think that I had suffered so many years before knowing what a wonderful remedy Peterson's Ointment is. Let me thank you from the bottom of my heart."—John O'Leary.

Any live druggist will tell you about Peterson's Ointment—a big box for 25 cents. Use it for old sores, ulcers, itching eczema, rashes, burns, bruises, chaffing and all skin diseases—there is nothing better.

Who were the brains behind the guns behind the German lines? See all the major battles of the World war planned and fought in the most amazing series of actual battle scenes ever shown in this country.

Dr. McFadden At
Highland Church

Will Speak Sunday Morning At
11 O'clock In The Absence
Of The Pastor, Rev.
Williamson

Dr. E. M. McFadden superintendent of the New Covenant Mission of Pittsburgh will preach Sunday morning at 11 o'clock in the Highland United Presbyterian church. In the evening the address will be given by Othie Sackett.

The pulpit is being filled by out of town speakers on account of the absence of the pastor Dr. C. J. Williamson who is conducting a special series of services at Monmouth College at Monmouth, Ill. Rev. Williamson expects to return to this city next week.

Booster Club For
New Wilmington

Volunteer Fire Company To Be
Active; Other News
Of Town

(Special To The News)
NEW WILMINGTON, March 7.—To promote the social and civic welfare of the community and to actively support the New Wilmington Volunteer Fire Co., is the aim of the new college town organization which held its initial meeting in the town hall at 9 o'clock Tuesday evening.

This new group is to be officially known as the New Wilmington Booster's Club and it is immediately starting a drive for members so that it may become fully organized. At the meeting last night which was attended by ten of the town's leading citizens committees were selected to conduct the membership drive and a proposed constitution was drawn up. It was decided that the Club would become officially organized when the membership had materially increased and the group was large enough to elect officers and formally adopt the constitution.

The main features about the proposed constitution are: It provides a regular annual meeting and special meetings as may be called by the directors. It provides that the club shall elect six directors who in turn shall elect four officers of their own number. Two directors shall be elected each year to serve for a term of three years. A yearly report shall be made by the directors.

Much enthusiasm is prevalent in the college town for the immediate recognition of this new organization and a number of citizens have volunteered their willingness to become members. It is probable that the

Booster Club will become active in the near future.

Previous to the meeting of the proposed Booster Club organization, the New Wilmington Volunteer Fire Company held a meeting in the town hall at 8 o'clock. Twelve of the firemen, including Ivan McGowan, president of the company, Fire Chief J. J. Francis and Assistant Fire Chief W. R. Anderson.

After a short business meeting, instructions were given in the company place duties of a good fire fighter. The members of the volunteer company who attended were: Troy Hall, Walker Schaffner, Fillmore Carpenter, Wallace Mercer, Roy Cummings, Bud Anderson, James Pitzer, Elmer Sharp and Harold Black.

Seven States To Conduct Corn Borer Control Probe

(International News Service) HARRISBURG, March 7.—"Corn-borer" as a term in Pennsylvania and six other midwest and eastern states will be relegated to history, if 1929 researches into corn borer control disclose that livestock can be fed on other products of the soil as well as corn, according to programs now being mapped out by the United States Department of Agriculture.

The programs will be part of the campaign against the European corn borer.

The seven states that will conduct researches in co-operation with the Department of Agriculture are: Pennsylvania, Ohio, Indiana, Illinois, Michigan, New York and New Hampshire.

Following the co-operation plan of the Department of Agriculture and the seven states, a committee representing the American Society of Animal Production pointed out that 80 per cent of the corn produced is fed to livestock.

For that reason, it was pointed out, any menace to the corn crop is as vital to the animal husbandman as to the tiller of the soil. In this connection it is hoped that studies on the use of other feeds and pastures in greater quantities will enable the farmer to meet a possible corn shortage.

Among the hundreds of lines of investigation, all of which have an important bearing upon the final solution of the corn borer problem, the department points out, will be studies by federal bureaus and states on breeding experiments to produce

strains which may prove tolerant of the borer.

Additional studies will be made of fertility treatments to hasten development of the corn plant so as to miss the maximum moth flight, besides studies on the possibility of displacing the corn plant with crops of equal value.

Investigations with insecticides, repellents and attractants will also be conducted, as well as studies of the life habits of the borer to furnish information necessary for a practical program in combating spread and control of the pest.

Efforts will be continued to determine the value of fall and spring plowing in different types of soil, with different widths and types of plow bottoms, on different dates and at various depths.

Peanut In Throat Fatal To Infant

(International News Service) ALTOONA, Pa., March 7.—Betty Pauline Wilt, two years old, was dead here today of strangulation. A peanut lodged in her throat and she died while enroute to a hospital from her home in Duncansville. A doctor accompanied the tot on the ride to the hospital, but was unable to save her.

Strongheart ate ten pounds of meat daily while working; two pounds of loafing. To diet, Madam, divide by five.

Has Leading Role In School Play

JAMES SMITH

The title role in "Kempy", the coming senior high school play, will be taken by James Smith. This able young actor has already appeared on the high school stage as Malvolio in the recent production of "Shakespeare's Twelfth Night". His excellent feeling as the ambitious steward whose conceit suffered so tremendous a fall, will be remembered.

In his new role young Mr. Smith is a plumber with moon-struck ideas about starting a career as an architect by building a church. He meets the inevitable lady-of-his-dreams, however, while out on a plumbing job. To complicate matters he falls in love without knowing it, with the aforesaid lady's younger sister. When the lady-of-his-dreams hears of his romantic devotion to her ideal self, she determines to use it to score off on a somewhat unmanageable suitor whom she really loves. So she drags the plumber-who-would-be-an-architect off to the altar, to his complete bewilderment and the utter complication of affairs in the "Bence" household. Everything in the end, we can assure you, turns out all right.

ALL THE SAME
Clara—Do you get your alimony regularly?
Mary—No, I might just as well be living with him.—Life.

Things even up. Many a feminine head is swelled by the smallness of feet.

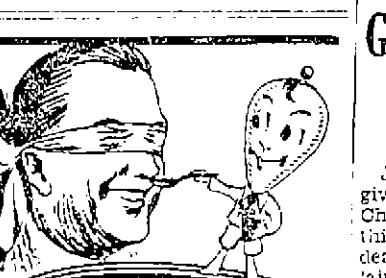

Everyone Past 40 Should Make This Test

For Amazing and Lasting Relief From Middle-Age Ailments That Cause Daily Annoyance and Sap Vital Force

No longer need folks near or past the prime of life put up with those painful and often embarrassing conditions brought on by overwork, sluggish kidneys, or bladder weakness. With their distressing symptoms of lameness, pains in back and down through the groin, scanty but frequent and burning urination, "getting-up" nights, nervous irritability and lack of force because a ten day test of Dr. Southworth's URATABS will convince the most skeptical of the value of this special treatment for their particular case.

Amazing testimony of Physicians and users gives convincing proof of the power of URATABS to restore Health and Strength to a weakened, inflamed, irritated bladder and kidney tract. A multitude of alarming symptoms seem to quickly disappear—and you see and feel a truly accurate improvement often within two or three days. "No more backaches, no more pain, no more embarrassing or troubling urination. I now sleep soundly and get up in the morning full of pep," thanks to URATABS.

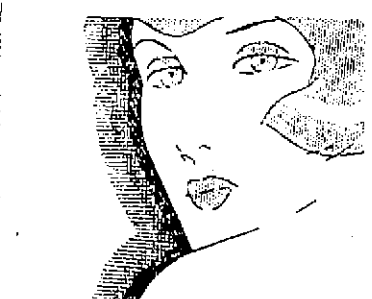

While new to the general public, the wonderful value of URATABS has been thoroughly proven by years of use of successful use in the private practice of Dr. H. C. Southworth. And now Edward's of New Castle, Inc., or any good drugstore will supply them on a guarantee of satisfaction or money back. Try URATABS today.

Reserve Officers Will Train C. M. T. C.

Series Of Lectures Is Arranged In Preparation For Summer Camps

C. M. T. C. students who go away to camp this summer will be trained by reserve officers. Capt. M. L. Craig (DOL) stated today. In order that those reserve officers residing in this locality may have an opportunity to become familiar with this training prior to attending these camps, a series of lectures will be conducted by Capt. Craig each Tuesday evening, starting tonight and lasting until the time camp opens, in his offices in the Temple building.

The subject to be taken up at the meeting this evening will be "Processing and Reception of CMT Candidates."

Capt. Craig stated that from a National viewpoint and from the viewpoint of the individual, the advantages of attending these conferences are obvious. The nation is depending largely for its defense upon the civilian army. The quality of this defense will be in direct proportion to the efficiency of the officers of that army. Efficiency can only be obtained and maintained by constant study and training, which these lectures will provide.

Mayor And Wife To Visit South

Councilman Burns To Be Acting Mayor During Absence

Mayor William H. Gillespie and Mrs. Gillespie will depart Tuesday for a trip to New Orleans and other southern points.

The mayor's chair will be filled during council proceedings by Councilman William T. Burns.

The councilman will also probably act as judge during police court proceedings.

Given Permission To Adopt Child

John H. and Margaret Stoner were given permission to adopt Myra Chamberlain aged 3½ years by court this morning. The child's mother is dead and the father Philip Chamberlain of Morton street, who has five other children to look after, consented to the adoption. Mr. and Mrs. Stoner stated in their petition that they have had the child for some time and will be able to provide a good home for her.

Open Bids For Fire Hose, March 15

Council will consider bids March 15 when different concerns present prices at which they will sell to the city 1,000 feet of 2½ inch firehose.

Too many of our "airports" could be transformed into pastures just by taking down the sign.

To Close Bridge At Wurtemburg

County commissioners announced this morning that the old bridge at Wurtemburg will be closed to public travel on next Monday preparatory to the erection of a new bridge. The contractors expect to shove the old bridge to one side so that it can be used for foot travel but not for autos or horses. A detour will be arranged either by Slippery Rock church or Frisco. Contract for a new bridge at Wurtemburg was let some time ago but nothing has been done except to get some material on the ground.

Juvenile Court Is Being Held Today

Juvenile court is being held at the court house by Judge Hildebrand today at which delinquents are present with their parents. Juvenile court is held for consideration of the case of children who have broken the law in some way but who are too young to be indicted in the usual manner. They are generally instructed to report regularly to the parole officer.

Controversy Over Cutting Down Trees

In an equity case brought by Robert Long against Horace Geary and others which is being heard by Judge Chambers today Mr. Long seeks to restrain defendants from cutting down some willow trees on land lying along Sampson street. Some trees have already been cut down and it is said that defendants were about to cut down more when a preliminary injunction was secured.

"Sonny" Club To Be Formed By Legion

Members of the Perry S. Gaston Post, American Legion are taking steps to form a club to be known as the "Sonny" club, for sons of deceased war veterans of the late conflict. After the club has been organized, only sons of members of the Legion will be eligible for membership. It is the idea of Commander Davis to have the post act as advisors to the boys and to promote clean social activities for them. They will hold their meetings in the Legion home.

Medical Meeting Place Is Changed

The meeting of the Lawrence County Medical society which was scheduled to occur at the Y. M. C. A. this evening has been changed, and the society will meet at the New Castle hospital, according to the announcement made this morning.

Assemblymen Are At Homes Today

House Of Representatives To
Reconvene On Next Mon-
day Night

IMPORTANT ISSUES
FACED BY SOLONS

By ROBERT F. GORMAN
International News Service Staff
Correspondent

HARRISBURG, March 7.—Members of the Pennsylvania house of representatives were at their homes today and will not return here until next Monday night when that body reconvenes. New members were given an opportunity of releasing for the benefit of the home folks the first legislative triangle of the present session.

The developments of yesterday preceding the passage of the Sterling bills creating the new department of revenue and amending present laws to conform with provisions in the fiscal code were still being discussed here but the overwhelming votes on the various bills gave the administration wholehearted support for all of the other administrative measures to come.

The bills amending existing laws to conform with the revenue department measures were debated for a short time just before the house adjourned for the week but the opposition was able to muster only a peak of 17 votes against any of the measures. The Sterling bills will now go to the senate and are expected that while in the possession of the upper house there will be several amendments added and reports are that they will cover the objections made by those who offered opposition yesterday.

CRAWFORD WARNS ABOUT INCORRECT PARCEL WRAPPING

Address Tags Must Not Be
Attached To Parcels With
Wire Strands

Postmaster Edwin W. Crawford stated this morning that address tags cannot be fastened to parcel post packages with wire, but must be tied with cord or twine instead.

There is an order which the department issued sometime ago which forbids this practice, owing to the fact that injury might be sustained by the clerk handling the parcel.

According to the postmaster, this order relates only to the use of wire instead of cord or twine for tying address tags to parcels. It does not forbid the use of wires or metal bands for tying or fastening parcels to be transmitted in the mails, approved by the department.

Bands of wire may be used in this case providing, however, that the bands of wire are not so exposed as to render the parcel dangerous to handle, and the metal bands have no sharp or burned edges or exposed ends, thus eliminating any possible chance of injury to postal employees or damage to other mail.

Nominations Are Made By Sportsmen

Plans Also Being Made For An-
nual Banquet During
Month

At a meeting of the Lawrence County Sportsmen's Association held at the office of O. H. P. Green, the following nominations were made: President, Chas. C. Withers; vice president, James Lygert; secretary, L. W. McLaughlin; treasurer, T. I. Vogan; directors, O. H. P. Green, Geo. R. Brown, Frank Nolan, Thos. Elliott and Ed. Garvin.

Plans were outlined for the annual banquet to be held later in the month. These plans will be completed at a meeting to be held Wednesday evening, March 13.

GARDNER

Iber Nelson, and Peter Benson, of New Castle called at the Benson home at Gardner Sunday afternoon.

E. O. Alexander, of Pittsburgh, spent last Sunday with Mrs. Alexander, and their son Francis, of Gardner.

Mr. and Mrs. L. A. Robison of Gardner spent a few days with the former's parents, Mr. and Mrs. T. J. Robison of near Portersville.

Mrs. Paul Burrows and daughter Pauline, of New Castle called last Sunday at the home of Mr. and Mrs. Wade Chapman of Gardner.

Mr. and Mrs. Ralph Hay, and son Joseph, of New Castle called on the former's brother, Mr. and Mrs. Frank H. Hay, of Gardner last Sunday.

Robert Trimble, son of Mr. and Mrs. R. E. Trimble of Gardner, has returned to Chicago, where he was employed for some time in a mill.

Mrs. J. C. Clement, and her son Roscoe, are working as fast as weather will permit, on their new greenhouse, on the New Castle-Ellwood City highway.

Rev. Claude Downs, pastor of the Savannah M. E. church, is holding cottage prayer meetings this week at West Pittsburg, and the next two

weeks expects to hold revival services there.

Mrs. McCoy and son Dale are staying this week with Mrs. McCoy's parents, Mr. and Mrs. W. E. Locke, of Gardner, as Mr. Locke is not able to be out. Mr. McCoy came over from Youngstown on Sunday.

Mr. and Mrs. Harry Anderson and family of Youngstown and Mr. and Mrs. Myers, and Mr. and Mrs. Wilbert Anderson, of Beaver Falls, all spent Sunday at Gardner, at the home of Mr. and Mrs. C. B. Anderson.

Rev. S. A. Stamm of Shenango Stop preached last Sunday at Gardner chapel. George Jones, Jr., of East Washington street will be the speaker next Sunday at 2:30. Mr. Jones, preached last Sunday night at the East New Castle Mission.

Mr. and Mrs. Charles Benson, of Gardner, had the following guests at a six o'clock dinner last Sunday. Mr. and Mrs. Oscar Benson, Mr. and Mrs. Harold Gray, and son Robert, Harold, and Mr. and Mrs. Albert Benson, and daughter Edythe Lou, all of New Castle.

Mr. and Mrs. Philip Moore, of Gardner, entertained the following guests last Sunday: Mr. and Mrs. James Patterson, and son Russell, of Parktown, and Miss Mary McMillen, of New Castle, and from the Butler road, Clifford Zeigler, brother of Mrs. Moore.

William Walker, and family of Wayne Stop, came to Gardner on

Sunday, bringing David Walker, Sr. to the home of his son Charles, where the father will remain for some time. Mrs. Lawrence Shaffer of Ellwood City was a guest at the Walker home at Gardner, last Thursday.

Mrs. Andrew Powell, of Beaver Falls, is spending this week with her sister, Mrs. T. J. Shaffer, of Gardner. The following were all guests last Sunday at the Shaffer home. Mrs. Jess Shaffer, and daughter Rutlie, and Miss Mabel Wilkinson, and Mr. Jewel, all of Sharon. Russell King of Shenango Stop, and Samuel Albright of New Castle.

300th Birthday Of
State Is In Doubt

HARTFORD, Conn., March 7.—The Connecticut Historical Society is trying to establish when Connecticut was settled. If the matter can be decided in time, the state will celebrate its three hundredth anniversary.

In the hope that the historical society may determine the date, the state legislature has authorized Governor John H. Trumbull to name a commission of seven to handle the celebration, but the commission must report two years from now.

Wethersfield was settled in 1634, Windsor in 1635, and Hartford in 1636, according to Prof. Carlton M. Andrews, admittedly an authority on colonial history. The state manual says Windsor was settled in 1633, Wethersfield in 1634, and Hartford in 1635, though white people were living there before Hartford now is, as early as 1633.

Professor Andrews insists, however, Connecticut wasn't really settled until at least 1637 and he wants 1639 used as the real date. People in Connecticut were too busy fighting Indians before then, he says, to think much about settling. Professor Andrews thinks January 14, 1639, would be a good day for the celebration.

Final Returns Are Made By Grand Jury

Jury Acted On 59 Bills During
Week Of Which 56 Were
Reported True Bills

During the week the grand jury considered fifty-nine indictments presented by District Attorney J. Elder Bryan, of which 56 were found true bills and three not true bills. Final returns were as follows:

Rue Dalrymple and Frank Leber, man, breaking and entering a build-

ing with intent to commit a felony.

Charles Hook alias Robt. Clark, assault and battery.

Louie Talpash, possessing intoxicating liquor.

Herman E. Stephenson, cruelty to infants.

Walter Levy, obstructing legal process.

Charles Kelley, operating a motor vehicle while under the influence of liquor.

Samuel Cummings, possessing intoxicating liquor.

Not True Bills

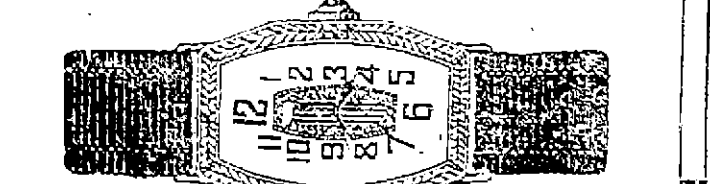

"Not a true bill" was returned in the following:

Helen Korchmaros, possessing liquor.

John V. Frazier, operating motor vehicle while intoxicated.

Your Flat Broadway and Mine

BY WALTER WINCHELL

Exclusive Central Press Dispatch to New Castle News

NEW YORK, March 7. — Among other little things that make big paragraphs like these is the case of a local newspaper attache who rushed to a big time vaudeville theater last week to cover the program. The reviewer had phoned that he was ailing. The substitute, who never had served as critic on anything in his career, turned in a "rave" review, voting every act a riot.

The management of the theater was thrilled over the notice. The editor was called. We are very happy," said the manager, "over the excellent notice in the paper today. Won't you kindly give us the writer's name so we can feature it and his review in a frame in the lobby?" Permission was granted and all week the lad's name was featured in huge type over his first criticism.

The esteemed critic for a matinee was a 14-year-old office boy.

FORM OF CRITICISM

Arthur Melancthon Hopkins, the producer of "Holiday," "Burlesque," "What Price Glory," and other good plays, probably never will forget Renold Wolf, who was the critic, columnist and clown for the N. Y. Morning Telegraph several years ago. Mr. Wolf dismissed Mr. Hopkins' very first production, "Steve," with the shortest review ever written up to that time.

He wrote: "A voice from Cain's Storehouse: 'I Gotta Steve!'"

DENKS WERY MOTCH

"Dear Mr. Winchell," affectionately writes Chuck Friedman, of Friedman's Delicatessen, Syracuse, N. Y., "after reading your definitions of kibitzers, we hereby elect you to the Kibitzers' Union. The enclosed card certifies you to 'kutt in on any conversation, billiard, pool, pinocle, hearts of poker game, stand back of players, advise them, correct their mistakes, help losers cry, supply them with towels and buckets for their tears, and give decisions, which shall be final.' This card also entitles you to refuse a brother member a loan of money, and you don't have to cash their checks. If a player becomes stubborn, you, as a full-fledged kibitzer, have the right to strike said player with any object in reach, such as chairs, tables, bottles, etc."

SIMILES

Useless as a solved cross word puzzle—Anon. Common as pickles in a delicatessen. He got turned down oftener than a bedspread—H. C. Witwer. About as happy as a toothless guest at a peanut brittle party—Raymond S. Tompkins.

Herbert Hoover Is Quite Healthy

Herbert Hoover, New President, Will Discontinue Two Physician Practice

International News Service.

WASHINGTON, March 7.—Herbert Hoover is healthy—so much so, in fact, that he has decided to discontinue the custom of having two physicians regularly detailed to the White House.

There have been two physicians at the White House since the advent of the Harding administration. Dr. Joel T. Boone, U. S. Navy, and Gen. Charles T. Sawyer, served the Hardings. Dr. Boone and Col. James F. Coughal did White House duty for the Coolidges.

Dr. Boone is regularly assigned to the presidential yacht Mayflower. He will return to that post, and be available when and if the new occupants of the White House require medical attention.

JUDGE IS PUZZLED

BY JURY'S VERDICT

UNIONTOWN, March 7.—How can a man be convicted of the manufacture of liquor and acquitted of possession of liquor? Judge Davis W. Henderson was much puzzled when a jury returned such a verdict in the trial of Tony Pukarich and Angelo Santichia of York Run charged with the possession and operation of a still.

The verdict was the most unusual ever returned in Fayette county court.

Uncle Sam will have 15 cruisers—the first chap to cultivate a vice in order to reform in company with others.

The Way OF THE World

By GROVE PATTERSON

EASY TAXES

Perhaps this headline is a mistake. There are no easy taxes. Probably the tax least noticed is the one on gasoline. So long as gasoline remains at or near its present price, there is little consciousness of the additional pennies. Even another cent would be little hardship, especially if the car owner felt that the money was going into the building of more and wider and smoother roads. Farmers have had a number of things to complain of. Perhaps they have not had a more legitimate complaint than their protest against paying such a high rate to get good roads past their property. The assessments have hurt. More gasoline tax, distributed among a far greater number, would build more roads with less pain.

HEALTH

Humboldt didn't tell it all when

he said that health is the most admirable manifestation of right living. This paragraph is for the great company of folks who do not have health, but who are manifestations of right living despite their pains and infirmities. Nothing is more admirable in character than the ability to "keep on keeping on" without health.

THE STUDY OF MAN

Are we beginning to cut through the brush and get down to the fundamentals of life? An announcement of the most profound importance comes from Yale university. With an endowment of \$7,500,000 an institute of human relations has been formed there. The idea will be to study and to classify and to understand what knowledge we have of the mind and body, and of individual and group conduct. From that point there can be further study into the factors that influence human conduct. Once man is thoroughly understood, perhaps he can be improved.

Eighty-Four and Able

Elihu Root, great lawyer and statesman, sails for Europe to represent his country in seeking a new understanding among the nations as to America's reservations in the matter of the world court. No reason why the mind or the body should play out at 84. Both, properly treated, are good for a much longer period. Root is an inspiring example to tired men of 47.

Will Select School Orator On Friday

Tryouts are being held at the present time at the senior high school for the oratorical contest Friday morning. The contest will be held in the auditorium of the high school. At that time a student will be selected to represent the senior high school in the county contest to be held in the auditorium of the high school on Tuesday evening March 12. This contest includes every school in Lawrence county and the winner will go to Pittsburgh to enter in a larger oratorical contest.

That Spanish revolution seems to be wholly oral, which shows what happens to a people addicted to bull fighting.

State Senate In Adjournment Till Monday Morning

By WILLIAM B. BROWN

International News Service Staff Correspondent

HARRISBURG, March 7. — After

spending almost two hours listening

to Philadelphia senators air the dirty linen of Philadelphia politics on the floor, the senate Wednesday hurried through its calendar and adjourned until next Monday night at 9 o'clock.

With the single dissenting vote of Senator Bertram G. Frazier, Philadelphia, the Woodward bill which will permit piece meal purchase of the F. B. T. underliners was passed with 37 affirmatives.

Prior to the vote both Senator

lacked the political activities of the

P. R. T. and charge that the people

of Philadelphia were being "thwarted

and debauched" as the result.

DOCTORS MEET TONIGHT

Members of the Lawrence County Medical society will gather at the Y. M. C. A. tonight at 8:30 o'clock for their regular March meeting. Dr. James E. Heard, Pittsburgh, will make the address.

A "purty good program" on the radio is one you wouldn't sit out five minutes on the stage.

Greatest coffee value that you can buy

Prove it today!

A blend of five of the world's best coffees, perfectly roasted and kept full flavored,—full strength,—full aroma by the famous Boscul vacuum can.

Why pay full price for half strength coffee—for coffee whose strength has been dissipated

into the air? Boscul vacuum packing brings Boscul's deep, rich, satisfying blend to you oven-fresh all ways. The only way to get full value in the cup,—full value for your money. Drink Boscul Coffee and learn a new coffee delight.

WHY DENY YOURSELF THE BEST COFFEE?

Girl Is Injured; Struck By Auto

Jean DeVitto, Aged Seven
Years, In Hospital After
Accident

MISHAP OCCURS ON EAST SIDE

Jean DeVitto, aged 7, of 655 Wall street, daughter of Mr. and Mrs. Antonio DeVitto, is in the Shenango Valley hospital in a very serious injured condition, as a result of being struck by the truck of the Buckeye Garment Manufacturing company, driven by J. Roy Strobel, as she was running across East Washington street about 4:45 o'clock Wednesday afternoon.

Except for a few short intervals since being removed to the hospital following the accident, the little girl has been unconscious and the outcome of her injuries will not be determined for a few days.

Her known injuries consist of a fractured right leg, a number of lacerations of the hands and face, while there are believed to be possible serious injuries of the head and other parts of the body.

According to the statement made

to the police by J. Roy Strobel, driver of the truck, he was driving west on East Washington street, in front of the Parkland Gasoline Service station, when the little girl ran from the north side to the south side of East Washington street, coming out from between two cars parked at the side of the street, in front of the truck.

She was struck by the right front wheel of the truck and hurled against the curb on the north side of the street. Mr. Strobel stopped his machine at once and with the assistance of a man in a car to the rear of his truck, picked up the injured girl and hurried her to the Shenango Valley hospital.

MEXICAN REBELS ARE LOSING OUT, DISPATCHES SHOW

(Continued On Page Two)

force at Ortiz, Sonora. A battle for the control of Juarez is believed imminent today with U. S. troops ready to protect American interests in the border city.

Government in Control

Washington, March 7.—Official dis-

patches reaching here from several cities in Mexico today confirmed Washington's belief that the Mexican government is steadily regaining control of the revolutionary situation.

"The situation is clearing up," said Secretary of State Kellogg today. He would not comment upon how much war supplies have been permitted to go forward to the Mexican government from this country, saying the information was highly confidential because of military reasons. The amount is believed, however, to have been considerable in the past few days.

Abandoned Monterrey

The first direct dispatch from Monterrey was received this morning. It said that General Escobar, the rebel commander, who captured the city, "seized all the available funds at the Bank of Mexico and abandoned Monterrey on the evening of March 5, taking his troops to Saltillo and burning bridges behind him."

"Federal troops," this dispatch continued, "arrived from Tampico yesterday (Wednesday) and now are in possession of Monterrey. The population is calm. Communication between Monterrey and Laredo, Tex., by telephone has been reestablished."

U. S. Troops Ready
El Paso, Texas, March 7.—With fighting between Mexican federalists and rebels threatened today at several places along the border, United States troops from Fort Bliss are being held in readiness here to take protective measures if the rebels make an assault upon Juarez endangering American lives and homes.

Gen. Escobar's rebel army, which evacuated Monterrey, is in flight towards the American border and may engage in an action with pursuing federalists close to the line.

A federal force is moving towards Nogales, Sonora, where fighting is threatened. This town is upon the Arizona frontier.

If the rival armies draw up for battle at any point upon the United States border the commanders will be warned that there shall be no firing into American territory. The fighting must be confined to Mexican soil.

By HARRY BERGMAN

International News Service Staff

Correspondent

Nogales, Sonora, Mexico, March 7.—Resuming intense military activity, Nogales today again assumed the aspect of an active revolutionary center with 2,000 rebel troops pouring into the city from southern Sonora.

Arrival of reinforcements began shortly before midnight and continued through the morning.

The new concentration here of rebel troops indicates plans for launching an expedition against General Gastelum who with 300 loyalist soldiers captured San Luis on the boundary between Sonora and Lower California.

May Go To Juarez

Possibility also existed that the contingent will be sent eastward to Juarez to assist rebel forces there.

Reported in a heavy field engagement with federalists under General Manuel Llanos.

The first reinforcement troop-train to arrive here carried Governor Fausto Topete of Sonora, outstanding leader of revolution who granted International News Service a few minutes after his arrival.

Topete declared "Mazatlan, important Sinaloa seaport, has been evacuated by federal forces under Jaime Carrillo."

"The latter is retreating southward burning bridges and railroads to cut off pursuit."

When asked to confirm a report that the federal government had launched a punitive expedition consisting of 17,000 troops northward to meet the rebels, Topete said:

"That is unlikely. However, if the reported federal force of 17,000 soldiers meet our advancing army, we will be victorious."

Through Ignacio Vasquez, Mexican consul at Nogales, Arizona, claim was made by the federal government that Mazatlan is still in the hands of the loyalists.

A communique signed by Plutarco Elias Calles and relayed by Mexican Consul Tex at Laredo, to Vasquez, claimed that the war ship Montezuma in Mazatlan harbor unloaded federal troops to reinforce a punitive expedition indicating loyalist army moving northward beyond the port.

However, the report that Mazatlan was in the hands of the rebels was strengthened by announcement of rebel headquarters that telegraph communication controlled by insurgents had been resumed as far south as Mazatlan. Rebel headquarters announced General Manzo, leading the pursuit of General Carrillo along the west coast have taken the port of Guaymas, Sonora and captured the Mexican battleship Bolivar.

There isn't much hope for temperance in drinking when people can't even be temperate in their discussion of it.

Before the officers could get into the place, the real strong liquor was dumped into the sink, but the officers did find one hundred bottles of home brew beer, which was being used in making the party merry along with the destroyed liquor.

Fields, three women, who were listed as inmates and two male visitors, all colored, were arrested and brought to the city jail, where charges were made against them.

Fields was assessed a fine of \$25 as keeper of a disorderly house, while the others were assessed fines of \$5 each.

Find 100 Bottles Of Home Brew

Six Are Arrested As Result Of
Unexpected Visit By
Police

When Lieutenant of Police Hillers, Detective John Young, Officers McKee and Letera and Constable Leslie dropped in on James Field, colored, 18 Division street, Wednesday evening, they found a party in progress and that they were not included in the guest list.

Before the officers could get into the place, the real strong liquor was dumped into the sink, but the officers did find one hundred bottles of home brew beer, which was being used in making the party merry along with the destroyed liquor.

Fields, three women, who were listed as inmates and two male visitors, all colored, were arrested and brought to the city jail, where charges were made against them.

Fields was assessed a fine of \$25 as keeper of a disorderly house, while the others were assessed fines of \$5 each.

High Wind Does
Some Damage

Several Large Windows Are
Broken By Force Of Near
Hurricane

Damage done by the rushing, roaring winds of last night, which might be said to be typical of March, was not as great as might have been expected, although here and there in spots, both in the downtown sections of the city and elsewhere, it did do some damage, principally in the matter of breaking windows, some of them large and valuable plate glass store windows.

One of the large plate glass front windows of the Ebeling Furniture company store at 345 East Washington street, was broken so badly by the force of the wind that it will have to be replaced. It was insured.

At the city building, the force of the

wind was evident in a crack in the bottom of one of the large plate glass windows in the front of the treasurer's office. The crack is of such a character, that it is believed that it can be repaired sufficiently to last a considerable length of time.

In one downtown apartment, the man of the house on returning home late found a member of the household seated and trying to hold the lower sash of a window in place against the force of the wind. The window strip had been broken out by the force of the wind and only the action of the person holding the window had kept it from being forced out into the room and broken.

According to another report, there was a home in which a window was blown out and the indications are that there are probably scores of instances in which small windows were blown in and broken by the wind.

SHENANGO VALLEY HOSPITAL NOTES

McClellan Posts Appearance Bond

Greene County Sheriff Posts \$2,000 Bond With Commissioner Knox Today

(International News Service)
PITTSBURGH, March 7.—Sheriff Arno E. McClellan of Greene county,

one of the persons named in connection with an alleged gigantic tri-county run conspiracy, appeared before United States Commissioner Roger Knox today and posted \$2,000 bond pending disposal of his case.

Steve Kovacs, another of those for whom warrants had been issued, had not put in his appearance before Knox at one p. m.

A tentative date for the hearings of those named was set by Commissioner Knox as March 10. The date will depend, however, on the progress made in apprehending those for whom the warrants have been issued, Knox said.

1218 East Washington Street.

(Continued From Wednesday)

LETTER FROM SON.

Near Tolopotan Creek, Va.,
June 2, 1864.

Dear Mother:

I have just written a letter to papa and having no orders to move yet I will try and scratch a few lines to you. Jeff, Joe and the rest of us remain as yet unharmed although I believe we have made some pretty narrow escapes. I have only been touched twice, once at Spottsylvania and once last night, once ball grazing my temple and last night I was struck in the side, enough to let me

know I was struck. I hope they won't come any nearer or harder.

Lieutenant Gillilan was instantly killed last night. We had a pretty severe skirmish last evening, our skirmishers being driven back. They were new Massachusetts men on the skirmish line. They are all bounty men and did not come out to be shot at.

This campaign has been very severe and of considerable duration as you are aware of. It is a pretty hard campaign on the Americans. I got a complete change of underclothes last night, the first since the Fourth

of May. You can imagine I feel a little better with a clean shirt on. I have so much I could tell you that it is impossible to tell you anything except that we are all pretty well but a little worn out and not yet wounded. Papa will send you my letters from Philadelphia. You had better advise him to stay in Philadelphia or else to go home as it is useless for him to think of coming out here to campaign along the Chick-

ahominy this time of year. There is a rebel sharpshooter who has range of a spot of ground a few yards in front of our quarters on the road and everybody who happens to pass he blazes at them. The rebels are passing through brush just at the corner of our quarters. We all know these particular spots and keep clear of them but when any stranger comes he has to look out for No. 1.

We have a guard stationed in front of our quarters in order to warn everybody to keep clear. I have nothing more to write or I have plenty to write about but don't feel like it. I wish you all would write often to me and when a mail does happen to come I will hear from you. I will write as often as I can get an opportunity. There has been 180 men killed, wounded and missing in our regiment since the campaign commenced.

Your Loving Son,

GEORGE

Coolidge Got Pay Check For Three Days This Week

(Special To The News)
WASHINGTON, D. C., March 7.—Calvin Coolidge started private life last Monday with the smallest pay check he has ever received from the United States government the first three days of March.

He was not paid for the 13 hours prior to the inauguration of Hoover, as under the Constitution the presidential term expires at midnight March 3. Presidential pay checks are made out monthly.

Mr. Hoover's first pay check, under his new \$75,000 a year job, will cover only the remaining 23 days of March.

Slippery Rock

Mrs. I. C. Williams and Mrs. J. A. Allison were New Castle shoppers on Saturday.

The open meeting of the W. C. T. U. which was held by B. P. Stillwagon was held at the home of Mr. and Mrs. C. P. West, Thursday evening, March 7. The program was:

Devotionals were led by the leader, E. P. Stillwagon. A male quartet, consisting of M. A. Gibson, D. C. Porter, T. J. Heim and G. P. Shrimp, favored the audience with two selections. A corner and French horn, duet by the Rev. J. H. McClure and Gale West. The speaker of the evening was C. S. Hoyte of Grove City. The program was concluded by a solo by the Rev. H. J. McClure. A light lunch was served by the social committee consisting of Mrs. Thomas Brown, chairman, Mrs. T. C. Blaisdell, Mrs. C. P. Smith, Mrs. J. E. Glaspy and Mrs. Clyde Rhodes.

The Cable Tow club will meet Friday evening in the social room of the Presbyterian church. Those who have charge of the dinner are: Mr. and Mrs. H. L. Kelley, Mr. Kelley, chairman; Mr. and Mrs. J. C. Glaspy, Dr. and Mrs. L. H. Wagonhorst, D. Renick and Wm. Renick.

Miss Maude Bingham, on her return here from Florida, stopped at Washington, D. C., where she attended the inaugural.

Mrs. Nettie Barrow spent Tuesday at Rural Valley.

Born to Mr. and Mrs. Earnest Hockenberry, Monday, a nine pound daughter.

Miss Jennie Bartz and her nephew Harold Bartz have returned to Slippery Rock after spending the past month in Florida.

Mrs. J. E. Glaspy entertained the members of the Valetta club at a six o'clock dinner at her home on Monday evening.

Mr. and Walter Elder are the proud parents of a ten pound son, born early Monday morning.

Miss Kathleen Adams entertained a few of her friends last Friday evening at her home. Two tables of bridge were in play. Those present were Mr. and Mrs. D. L. Billingsley, Mr. and Mrs. Charles Gerlach, Mrs. William Taylor, Miss Thelma Glenn, and Mrs. George Hines.

Frank Glenn, clerk in T. J. Hayden's hardware store is still at his home near Grove City with gout trouble. He expects to undergo an operation at the Youngstown hospital the latter part of the week.

The ladies of the Presbyterian church held an all day quilting in the social room of the church on Wednesday. A tureen dinner was served at noon to 20 quilters. The same number of workers were served at the evening meal.

Correcting a statement made last week that Mrs. Benjamin Pearson had resigned her position as organist in the Presbyterian church, we wish to say that her absence is only temporary and that she will resume her duties some time in the near future.

On Sunday, Mrs. Christina Taylor, sister of the late Dr. Benjamin Pearson, reached her 94th birthday. She lives with her niece, Miss Effie Pearson of North Main street.

Miss Lillian Griffin, teacher in the college spent the week end at her home in Pittsburgh.

Mrs. Samuel Wade, of Argentine is spending a few days with her sister Mrs. Charles Gerlach.

Miss Sara Adams, a teacher in Munhall, spent the week end with her parents Mr. and Mrs. R. P. Adams. Dr. and Mrs. Hamm were New Castle callers on Friday.

T. J. Heim addressed the Women's club of Franklin on Monday evening. Mr. and Mrs. J. W. Stamp motored to Greenville Monday evening where they attended the county basketball tournament.

Miss Marjorie Barron was returned to her home after spending three weeks with her sister, Mrs. James Howard of Pittsburgh.

Alvin C. Hough of Munhall was the week end guest of Mr. and Mrs. R. P. Adams.

Little Boy Had Eczema Over Face Very Badly. Healed by Cuticura.

"My little boy had eczema very badly. It started on his forehead and then spread over his face. It was in little blisters and he would scratch and make it bleed, after which it would scab over. The itching and burning caused him to scratch so that he would wake up and cry."

"I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. I purchased more, and after using one cake of Soap and one box of Ointment he was healed." (Signed) Mrs. Frank A. Smith, Constantia, N. Y., Oct. 25, 1928.

Soap 25c, Ointment 25c and 50c, Talcum 25c. Sold everywhere. Sample each free. Address: "Cuticura Laboratories, Dept. H, Malden, Mass."

25c Cuticura Shaving Stick 25c.

Still better FRIGIDAIRE at still lower prices

Savings of as much as \$90 on some models

Secretary Stewart Clarifies Ruling On Motor Arrests

Possible To Give Officer Writ-
ten Promise To Attend
Hearing

HARRISBURG, March 7.—Persons
arrested under the motor vehicle code
on charges other than a misdemeanor
or felony have the privilege of giving
the officer a written promise to ap-
pear later at a hearing and need not
go for hearing immediately after ar-

rest," James Lyall Stuart, secretary
of the Pennsylvania Department of
Highways, reminded motorists today.

"I have been informed that many
officers violate section 1207 of the
vehicle code, failing to give the ar-
rested motorist an opportunity to
make written promise to appear. This
provision was incorporated in the code
because many persons on long trips
or on hurried business trips cannot
afford to lose several hours of the
day to attend the hearing."

"The written promise to appear is
not a special privilege extended by
the arresting officer but the motorist's
own privilege unless he elects to de-
mand an immediate hearing. Offi-
cers who fall in their duty by viola-
tion of this section are liable to
charges of misdemeanor in office with
a heavy penalty."

"A motorist who furnishes his writ-

ten promise to appear must keep it
when he receives the summons, which
will be at least five days after arrest.
Failure to keep the promise is pun-
ishable by a fine of \$75 or 10 days
imprisonment or both," the highway
secretary concluded.

DISTRIBUTES SERUM

HARRISBURG, March 7.—The bu-
reau of supplies of the Pennsylvania
State Health Department today an-
nounced that during the month of
February toxin-antitoxin was distrib-
uted throughout the commonwealth
in sufficient quantities to immunize

6,935 individuals. Intensive cam-
paigns are now being carried on
in a number of sections in Pennsylv-
ania.

After the United States, Mexico
ranks highest in petroleum produc-
tion.

Sharpville Man's Body Taken Home

W. S. Simons To Be Buried From
Home In Mercer County;
Accident Victim

ELLWOOD CITY, March 7.—The remains of W. S. Simons of Sharpville, who was killed in an accident on his car on the New Brighton road Wednesday, were taken back to his late home at 322 Walnut street, in Sharpville last night by his son Edward. He is also survived by his widow. The deceased was 38 years old and death is said to have been induced by heart failure caused by shock when his sedan which had been operating skidded into a guard rail.

Officers Elected For Ladies Aid

ELLWOOD CITY, March 7.—At the monthly meeting of the Ladies Aid society of the Slippery Rock church at the home of Mrs. Ray McLean Wednesday new officers were elected as follows:

President, Mrs. Walter Steele; vice president, Mrs. Floyd Newton; secretary, Mrs. Rankin Steele and Mrs. Jane Friday; treasurer, Mrs. Paul Elliott and Mrs. Clyde Cunningham. There were 27 members present. The April meeting takes place at the home of Mrs. William Deemer on the Ellwood-New Castle road.

HOSPITAL NOTES
ELLWOOD CITY, March 7.—Admitted yesterday, Mrs. Michael Moser of Riverview. Discharged, Richard Barton of Spring avenue and Mrs. Ella Wimer of Wurttemberg.

BRIDGE PARTY
ELLWOOD CITY, March 7.—Mrs. Floyd Thorpe of Ewing Park is entertaining friends at bridge Friday evening at her home.

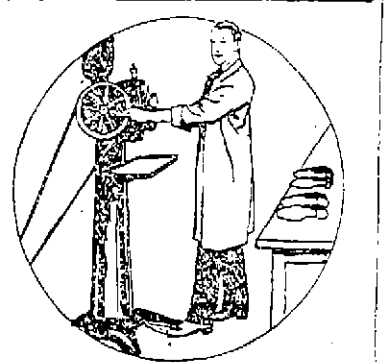

Worried Over Dad

Leon Humberto Aguirre, son of General Jesus Maria Aguirre of Mexico, attends the Pennsylvania Military College at Philadelphia, Pa. He is extremely worried for the safety of his mother and sisters, who he believes are in Mexico City, the Federal stronghold, while his father is leading rebel forces.

Church Men Lead Wednesday Service

ELLWOOD CITY, March 7.—Members of the Men's club of the Slippery Rock church, conducted the prayer service last night in the church. President J. M. Houk led the service. The topic of discussion was "Meeting Temptations" and interesting short talks were given by Joe Menzer, Jess Houk, Roy Mackey and Charles Wilson.

Crowds Increase At Revival Services

ELLWOOD CITY, March 7.—Rev. E. C. Good, who is conducting revival services this week in the Bell Memorial church, is increasing his audience each night.

Wednesday night his theme, "Rebuilding Broken Altars," was a strong plea for parental influence on the young along religious lines, calling attention to the altar of the family worship and keeping the vow made at the baptism of sons and daughters to pray with them and for them.

There was a satisfying period of song led by Harold Marshall, his daughter Norma and his son Howard. Later the trio contributed a lovely number "I Love Him." Tonight's service starts promptly at 7:30.

Funeral Services For Mrs. Newton

ELLWOOD CITY, March 7.—The last rites for Mrs. Della Newton, highly respected resident of this community, who passed away Monday, took place this afternoon in the Slippery Rock Presbyterian church. The deceased had been a faithful member of the church for years.

Rev. Paul H. Elliott and Rev. Dr. Charles Bell officiated. Lovely floral offerings were mute evidence of Mrs. Newton's many friends. Interment took place in the Slippery Rock cemetery.

Mrs. Ramsey Is Bridge Hostess

ELLWOOD CITY, March 7.—Mrs. Wellington Ramsey of Spring avenue entertained at two tables of bridge Wednesday.

At the conclusion of play Harold Seidel captured high score. A dandy lunch concluded the event.

Those present were: Mr. and Mrs. W. W. Seidel, Mr. and Mrs. Harold Seidel, Mrs. Hardy Pearce, a sister of the hostess from Philadelphia, and Miss Dorothy Hesselman.

Golden Wedding To Be Observed

ELLWOOD CITY, March 7.—Mr. and Mrs. J. F. Moore of the Wampum road are planning for the celebration of their golden wedding anniversary on April 3. Mr. and Mrs. Moore have resided in Lawrence county for more than 40 years and have a host of friends who will share with them the joys of the event.

ELLWOOD PERSONALS

MAYBERRY'S

"Better Cleaners"

K. JOHN FRIES, 1929.

"Better Cleaners"

In the Mayberry plant there are thousands and thousands of dollars worth of modern equipment. BUT no machines or presses have been installed simply because they expedite the procedure. Mayberry's is not quantity but QUALITY service. One machine is not installed to do the work of two machines if two machines can do the work better and finer. A technical chemist analyzes each article as it is brought to Mayberry's. This chemist then prescribes the process and method of cleaning that best suits the garment. That's why Mayberry cleaned garments are always wholly clean and never injured.

Only
20 More
Days Until
Easter

With Easter less than three weeks ahead the next two days offers you a splendid opportunity to Save. Do your Easter cleaning Tomorrow or Saturday, and enjoy these savings All Mayberry prices are reduced.

JORDAN WILL BE GUEST OF HONOR

(International News Service)
WASHINGTON, Pa., March 7.—State Secretary of Agriculture C. D. Jordan, will be the honor guest at the opening session, here tonight of the 4th annual meeting of the Tri-State Wool Growers Association. The meeting will be presided over by a specialist on wool marketing, J. F. Walker of Gambier, O.

WOMENS GUILD ENJOYS MEETING

ELLWOOD CITY, March 7.—Members of the Women's Guild of St. Luke's church conducted a monthly meeting Wednesday night at the home of Miss Mary Rhodes on Fourth street.

There was an interesting open discussion about work to be done for the St. Luke's hospital in Japan and the far-reaching help of the united thank offerings.

ATTEND LUNCHEON IN EVANS CITY

ELLWOOD CITY, March 7.—Mrs. Thomas Wilson and Mrs. Tony Turner were local guests at a bridge-luncheon Wednesday given by Mrs. Harry Wilson at her home in Evans City.

Four tables of bridge were in play and Mrs. Thomas Wilson was awarded the second prize.

Remember This Fight?

1918—"LONG COUNT" SAVES FULTON.
Dave Barry's famous "long count" tolled over Gene Tunney in Chicago's battle of the century stirred fans all over the country and led to one of the bitterest flistic controversies of the age.

A similar "long count" created a tremendous row in middle west circles many years before on the occasion of the Fred Fulton-Tom Cowler engagement that was staged in St. Louis in March 1918.

Brooklyn Tommy Sullivan a former featherweight champion of the world was the referee. The bout was fought in the St. Louis coliseum at the time when Fulton was rapidly becoming recognized as a "logical" heavy-weight contender.

Cowler, the English trial horse was not expected to last more than a round or so against the ponderous Fighting Fred.

To the astonishment of the assembly Cowler, after taking a beating for two rounds slipped a long left-hander that landed squarely on the glass jaw of the big Minnesota plusterer. Down went Fulton as though he had been hit with a switch bar.

Sullivan counted until he had reached "seven" without a flutter out of Fulton. "Eight" and still no action from the prostrate giant.

"Nine" and Fulton showed signs of life. Finally with the assistance of a cup of water slung from his corner Fulton clumsily gained his feet. The bell rang.

In the fifth Fulton finished Cowler but the "long count" remained the biggest controversy of the decade for St. Louis fans.

Aged Civil War Veteran Is Dead

(International News Service)
GREENSBURG, March 7.—Death today claimed Edward B. Sweeney, 86, Civil War veteran and former clerk of courts of Westmoreland county, in his home here.

Radio On Street Must Not Keep Late Hours

(International News Service)
MODesto, Cal., March 7.—A radio loud speaker may blare forth on a business street during "reasonable hours."

Such was the decision of Superior Judge Fulkerth in ruling on the complaint of Henry Neubaumer, hotel proprietor against Charles Gray, radio shop owner. Neubaumer sought to have Gray's loud speaker in front of the radio store enjoined from operating declaring it jarred on the nerves

of his hotel guests. Gray, however may let his loud speaker speak and loudly during "reasonable hours" the court has decided.

When You Catch Cold Rub On Musterole

Just Rub
Away
Danger

Musterole is easy to apply and works right away. It may prevent a cold from turning into "flu" or pneumonia. It does all the good work of a handkerchief's mustard plaster.

Musterole is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches, sprains, sore muscles, bruises, chilblains, frost-bite—colds of all sorts.

To Mothers: Musterole is also made in a milder form for babies and small children. Ask for Children's Musterole. Jars & Tubes

MUSTEROLE
WILL NOT BLISTER

Better than a mustard plaster

We Invite You

To see an actual demonstration of this wonderful new Vim-Ray Beauty and Health Service, given by a specialist in our store.

Just a few minutes daily devoted to complexion, scalp and general well-being will reward you with a skin of satin smoothness, hair luxuriant and glossy and a vigor and "zip" that will carry you through the most trying day.

The New STAR-Rite HOME BEAUTY and HEALTH SERVICE

Vim-Ray

Offers you this magic power

Screen stars keep their lovely complexions, in spite of arduous work and the ravages of make-up by sunshine, sunburn and more sunburn. Sunshine stimulates their delicate skin tissues, keeps their pores open and normal, keeps their beauty above par—always.

Science has now given you a new dependable ally in Vim-Ray. In five minutes' time, ten minutes' daily use is enough. It leaves a feeling of refreshment and rejuvenation.

You'll find new uses for it every day—with your face creams, with your hair tonics, to dry your hair and set a finger wave, to soothe aches and pains of all kinds—rheumatism, neuritis, colds, stiffness and muscular rigidity.

Argue New Trial Appeal In Will Case Of Late Mrs. Dean

Arguments for the application for a new trial in the case of Jane Ligo against Mrs. Ida B. Dodson and other heirs of the late Mrs. J. J. Dean, consumed the entire afternoon Wednesday before Judge Hildebrand and Judge Chambers. The case was tried before Judge Chambers, but arguments were made before the court in banc.

The case is one which considerable interest attaches on account of the large estate left by the decedent and because of some bequests to beneficiaries. After an alleged will of Mrs. Dean had been probated a question was raised as to its authenticity.

Why Doctor Reynolds Insists on Milk of Magnesia in Tablet Form

The Doctor's Verdict.

"Yes, La-Ma Wafers. I always insist on my patients using La-Ma when the need of a Milk of Magnesia is indicated. Liquid magnesia precipitates while La-Ma gives assurance of accurate dosage and is pleasant and easy to take."

Again science has triumphed and today the medical and dental professions are prescribing La-Ma Wafers.

Children Love La-Ma.

Children who fight against taking unpalatable liquid magnesia actually love La-Ma Wafers, because they taste like candy.

La-Ma Wafers Economical.

La-Ma Wafers keep perfectly under all conditions. You get more for your money as there are 100 teaspoonful in each package. No danger of freezing or precipitating.

La-Ma Wafers Convenient.

La-Ma comes in an attractive package which, due to La-Ma being concentrated, can be carried in your vest pocket. Remember it is not necessary to add water to La-Ma—of course you can if you wish—but La-Ma will dissolve quickly if just placed upon the tongue.

Use La-Ma Regularly.

All admit that milk of magnesia should be used for various uses—correct acidity, for bad breath, a gentle laxative, cleaning the teeth—and all the various uses for which milk of magnesia has been found so desirable.

Go to your druggist today and ask for a Milk Magnesia package of La-Ma Wafers. They cost but a few cents. Start using La-Ma Wafers and you will never go back to the old methods.

LACMA WAFERS ELIMINATE NEED OF LIQUID MAGNESIA

no witnesses to the will, which was written on a sheet of note paper. Let- ters were granted to the late Robert K. Aiken, who was named as Mr. Aiken in the will. Verdict in the case was in favor of the heirs.

Argue For New Trial
Jane Ligo's attorneys immediately made an application for a new trial, and this was the matter which was argued before Judges Hildebrand and Chambers yesterday. Attorneys Walter Brannan, Wylie McCaslin and W. D. Cobau appeared for Miss Ligo and C. H. Aiken for the heirs.

Attorneys for Miss Ligo based their application largely on alleged errors of the court in the trial of the case. It was claimed that it had been held that all the parties named as beneficiaries in the will were incompetent to testify as to matters that had occurred before Mrs. Dean's death.

Errors were also alleged in the admission of testimony of a number of witnesses. One of the specific points made by Miss Ligo's attorneys was that the shutting out of testimony as to handwriting in the body of the will was an error.

It was also claimed that the testimony of a bank clerk who had passed on many checks of Mrs. Dean should have been admitted, as the clerk was familiar with her signature.

It was also contended that in the trial, owing to rulings of the court, it had been impossible to get before the jury testimony which would have benefited Miss Ligo's side of the case.

Presents Heirs' Defense

In his arguments in behalf of the heirs who had won the case, Attorney Aiken began by explaining that upon the death of a citizen the title to property passes to his heirs. It does not await any action of the register of orphan's court. It passes immediately upon the death of the owner of the property, he said.

Upon the death of Mrs. Dean he contended that the title to all her property passed to her heirs, under the law. Mrs. Dean, however, had the right to prevent this, to see aside the law as far as her property was concerned. That is the reason that it is called a "will". The citizen wills to set aside the law as to his or her estate.

"There is no evidence at all," said Attorney Aiken, "that Mrs. Dean ever wrote the alleged will. The only thing the plaintiffs, the heirs, turned in the alleged will, attempted to prove was that Mrs. Dean signed it. There is no evidence that she did. It is not pretended that any one saw her sign it. No one appeared in court who knew her handwriting and testified that the signature was in her handwriting. The best the plaintiffs could do was to call witnesses to compare the signature of Mrs. Dean to checks with the signature on the alleged will and testify that the one looked like the other because the signature on the alleged will 'looks like' the signature on the checks does not prove that Mrs. Dean wrote the signature on the alleged will."

There is no evidence that Mrs. Dean wrote the body of the alleged will. There is no evidence that the writing above the signature was written when the signature was written. There is no evidence that Mrs. Dean wrote the date "Dec. 5th, 1927" in the alleged will, he claimed.

One would naturally conclude she

did not, for the reason that she had always given her sisters, her brothers and niece to understand that one-half the property she and her husband had accumulated went to his heirs at his death and one half to her, and she intended that her half should go to her people at her death, and two days after Dec. 5, 1927, she went to Mansfield, O., to visit the very people this paper would distribute, the attorney argued.

Another thing, he said she was very much interested in the First Christian church, to which she belonged, and in the Almira home. She knew that in order to make a bequest to either the law required two subscribing witnesses to the will. This paper has no subscribing witnesses. And even the church, the First Christian, which she well knew, is written in the alleged will "Park Christian." Mr. Aiken contended that the application for a new trial should not be granted. Papers in the case were taken by the court and an opinion will be handed down later.

QUINTUPLETS BORN IN SPAIN
Reports from Omedo, Spain, say that quintuplets, two boys and three girls, were born to a woman named Sofia Molpores. The five babies died shortly after birth. The woman is living.

Coughs calm down when Triple Action starts to work! Smith Brothers Cough Syrup with the Triple Action eases and stops even the pestiest cough. Quickly and surely it gives you relief, and starts you back on the road to health.

Medical science says that you must do three things to throw off a cough. Triple Action does them—fast and pleasantly. Smith Brothers Triple Action Cough Syrup is absolutely safe for children. Both children and grown-ups like its famous delicious cough drop flavor.

Oak St. School Mother's Circle Hears Address

Mrs. J. C. B. Douthett Speaks At Meeting In Kindergarten Room Of School

The semi-monthly meeting of the Mother's Circle of the Oak Street Kindergarten was well attended, Tuesday afternoon, March 5, in the Oak Street Kindergarten room. At each meeting some phase of training and development of the Kindergarten child is discussed. Mrs. J. C. B. Douthett, a member of the Board of Education, discussed the objectives of Kindergarten Education.

In emphasizing the importance of Kindergarten training, Mrs. Douthett said Kindergarten was once considered a luxury only for children of wealthy parents, but now it is generally accepted as an important factor of the school system.

The modern trend, she said, is to see the child, not merely as a machine, but as a biological unit.

endowed with physical, mental, psychological and social functions, each of which must be brought to its highest point of development.

Different objectives must be set for different types of children. The teacher must be acquainted with these types.

The Normal Child
The Subnormal Child
The Superior Child
Occupations should be planned for the children that appeal to them as worth doing and which demand concentration and effort on their part in constructive thinking.

Through all the Kindergarten activities the child is protected from emotions of anger, self-feeding, isolation, sullenness, and nervousness. Thus the Kindergarten serves to prevent failures in the first school grade, enriching and ennobling the lives of all children who attend.

Phalanx Convenes Wednesday Night

Final plans for the dinner-dance present at last night's meeting. General Secretary E. L. Meermans was unable to attend.

Guaranteed Pure Ice Cream

WE pledge that RIECK'S ICE CREAM does not contain gelatin. Neither does it contain gums, fillers, adulterants or artificial flavorings of any kind. Only real cream, granulated sugar and pure flavorings are used in Rieck's Ice Cream.

When you consider that this pure, extra-fine Rieck's Ice Cream costs you no more than just ordinary ice cream—isn't it worth your while to patronize the Rieck dealer?

If you do not believe you can taste the difference between Rieck's Ice Cream and other ice creams—try a plate of Rieck's in your favorite flavor or combination.

166 Industries In Mercer County Earn Huge Amount

Value Of Output In 1927 Is
Estimated At \$133,335,000.
By State

Gave Employment To 13,667
Workers, Who Earned
\$18,551,900

HARRISBURG, Pa., March 6.—Mercer county with 166 industrial plants turned out products in 1927 with a value of \$133,335,000, according to computations made by the bureau of statistics of the Pennsylvania department of internal affairs and announced by Secretary of Internal Affairs James F. Woodward. In Sharon industrial plants during the year had a value of \$35,040,500.

Mercer county's industrial establishments were operated by 87 corporations, 27 partnerships and 52 individuals. During the year they gave employment to 11,950 wage earners and 1,708 salaried employees, a total of 13,667 industrial workers. Of the wage earners, 8,917 were Americans, white, 542 were Americans colored and 2,491 were foreigners. There were 11,446 male wage earners and 513 female wage earners. These workers were paid a total of \$18,551,900, male wage earners receiving \$18,109,500 while female wage workers were paid \$342,400. Salaried employees received \$4,244,700 during the year and the salaries combined with wages paid made the total industrial payroll in

the county for the year amount to \$22,796,600.

Capital invested in industry in Mercer county amounted to \$86,618,500. Mercer county was one of the big metal counties of the state and the value of metals and metal products as a class reached \$127,830,700. Primary metal products were valued at \$22,039,600 and secondary metal products were worth \$45,791,100. Other industrial classes in the county had these values: Chemicals and allied products, \$532,400; clay, glass and stone products, \$107,200; food and kindred products, \$1,306,300; leather and rubber goods, \$69,100; lumber and its manufacture, \$823,800; paper and printing industries, \$737,400; textiles and textile products, \$131,600; mines and quarries, \$1,074,800; tobacco and its products, \$2,300; and miscellaneous, \$559,000.

Some quantities produced in Mercer county during the year included: 14,031 barrels of crude oil, 5,000 pounds of confectionery, 10,783 barrels of flour, 222,349 gallons of ice cream, 7,217 tons of manufactured ice, 329,262 tons of iron and steel bars, 457,989 tons of billets, blooms and slabs, 3,245 pounds of refined and recovered copper, 593,185 tons of iron and steel in gots, 925,345 tons of pig iron, two tons of refined and recovered lead, 58,130 tons of iron and steel plates, 31,495 tons of iron and steel sheets, 90,692 tons of tin andterne plate, 79,464 tons of wire rods, 255,622 tons of bituminous coal, 36,637 tons of sand and gravel, 33,283 tons of glass sand, 50,000 cigars and 26,953 dozen brooms.

In Sharon where industrial plants were worth \$35,040,500 in 1927 there were 48 industrial plants operated by 17 corporations, seven partnerships and 24 individuals. These plants gave employment to 4,379 persons including 3,577 wage earners and 802 salaried employees. Among the wage earners were 2,653 Americans white, 42 Americans colored and 882 foreigners. There were 3,245 male wage earners and 332 female wage workers. Wage employees received \$3,415,300 during the year, the males being paid \$3,159,800 while female workers were paid \$255,500. Salaried employees received \$1,742,700 and this amount combined with wages made the total industrial payroll in Sharon \$7,158,000.

Capital invested in industry in the city reached a total of \$22,687,500 in 1927.

Metals and metal products led the other industrial classes in Sharon with a value of \$32,237,600, secondary metal products being valued at \$23,318,200. Other industrial classes had these values: Chemicals and allied products, \$118,600; clay, glass and stone products, \$74,700; food and kindred products, \$193,500; leather and rubber goods, \$22,200; lumber and its manufacture, \$823,800; paper and printing industries, \$461,900; textiles and textile products, \$23,700; and miscellaneous, \$269,300.

DAHDUFF GOES WHEN ODORLESS ZEMO IS USED

If you have dandruff, apply cooling, soothing Zemo to the scalp. This amazing antiseptic liquid, which is invisible and odorless, will quickly cleanse the head. It also brings relief from itching skin, pimples and eczema. It clears the skin, as nothing else can. Get a bottle of Zemo today. Keep it always on hand. All druggists, 25c, 50c and \$1.00.

NEW GALILEE

SCHOOL REPORT

Perfect attendance of room one, New Galilee for month of February. Teachers: Verna Gishbaugh, Mary Cerianni, Mary Cleric, Mabel Jean Duncan, Caroline Ferrati, Cecelia Henry, Mary Emma Henry, Genevieve Montagazzi, Mary Pulleo, Matilda Randza, Alice Rhorman, Bertha Rhorman, Silvio Appicci, Chalmers Blatch, Joe Cerianni, Mike Ceriotti, Frank Dolostowski, Dale Duval, William Elliott, Wayne Gray, John McGee, Paul Maoki, Samuel Pageni, Edward Randza, Raymond Remoldi, Fred Villa, Wallace Young.

Grade 3, Room 3

Norman Blatch, John Fry, James Rocco, Frank Randza, Fred Uboldi, Angelo Villa, Les Villa, Eleanor Baumgardner, Josephine Corleazzi, Anna Fuzzetti, Martha Jenkins, Mary Rudi, Edna Elizabeth Tanner, Ruth Welsh.

Grade 4

Mary Jane Elliott, Francis Principati, Mildred Vankirk, Lizzie Verob, Louis Guzzetti, Arthur Ramponi, Gerald Tanner.

Grade 5

John Altman, Felix Zaffarone, Betty Gray, Letrude Maoki, Angelina Uboldi, Josephine Villa, Nancy Springer, teacher.
Room 3
Bernice Foster, Rosa Pagani, Paul Gealy, Orvil Shuster, Anna Principati, Joe Guzzetti, Rose Villa, Adalia Guzzetti, John Young, Arthur Guzzetti, James Dixon, Mary Uselengoe, Lawrence Shuster, Keith Flower, James Elliott, Bobbie Patterson, Tony Prato, Donald Tanner, Dorothy Garvin, Frank Pagani, Frederick Hunt.

NEW GALILEE NOTES

Mr. and Mrs. C. D. Rupert and Mr. and Mrs. I. N. Hixon of Canfield, Ohio, spent Monday afternoon with Rev. and Mrs. B. A. Durall.

Rev. Warren Jones, district superintendent of the Pittsburgh district will be at the Nazareth church Tuesday evening, March 12, at 7 o'clock for the annual meeting.

Mr. and Mrs. Albert Welsh visited Mr. Major Welsh who is confined to the Diamond hospital on Saturday and also visited Harold Duval at the Providence hospital, Beaver Falls, Pa.

Miss Harriet Forsythe of Big Beaver township finished her training course as a nurse in the Beaver Valley General hospital on Thursday evening and spent the week-end at the home of her parents, Mr. and Mrs. C. A. Forsythe.

Maybe a pedestrian could feel important if he would stop in front of a store and look a little horn for service.

Competitive Shoes For Ladies

ARCH COMFORT
Style and comfort in shoes is the secret of Arch Comfort. Made of black glazed kid made over combination last to fit narrow or extreme wide heels. Sizes 4 to 10. Made to order. At a low price—\$2.50.

Mahoning School Attendance Reports

School Reports Indicate Good Attendance In Mahoning Township Schools

Reports from the various schools in Mahoning township indicate a very good attendance on the part of a number of pupils. A large number at these schools have not been late or absent during the entire month.

The schools and names of these honor attendance pupils follow:

Old Harbor School
Susanna Marko, Ray Robinson, Virginia Robinson, Walter Sniezek, Teacher, Helen Reynolds.

Matthews School
Lona Davis, Alice Jones, Wilma Parknaw, Hazel McCutcheon, Nelson Johnson, William Parknaw, Henry Sniezek, Ethel M. Higgins teacher, Tent Hall, Room 1.

Bennie Bonace, Charles Korby, David Perrotta, Paul Smith, Mike Perrock, Angeline Bonace, Frances Bryer, Gene Kennedy, Helen Korby, Anna May Mann, Dorothy Mann, Frances Teach, Sophie Teach, Florence Workman teacher.
Walters School
Frank Schiraldi, Paul McDonald.

No One Would Steal a Check Book

It is the Safest Way to Carry Money

No hold-up man would keep your check book. If you dropped it on the street, it would be worthless to the finder. Without your signature a check is of no value, yet it can make every cent of your funds available, almost immediately. The money itself rests securely in the vaults your bank has built to safeguard the cash of our community. The checking account service makes a scrap of paper worth \$5, \$10, a hundred—whatever you have on deposit, but only when you say the word by signing your name. You have all the advantages of currency with none of the risk.

This important safeguard and invaluable convenience is only a part of the service which has grown up within the checking department of your bank. A check is legal proof of payment, your expenses are visualized for easier control; payments are made and recorded with great time saving and there is a definite prestige that grows when you pay by check.

Think This Over

A few moments' thought will show you how valuable it is to have a checking account service from your bank. You would gladly pay any reasonable amount to save yourself the inconvenience, the risk and the delay of the old pay-in-cash method. And yet the banks here only ask that you maintain an appropriate balance. Surplus funds left on deposit earn the income which must pay the cost of serving you and give the bank reasonable compensation.

A surplus in the bank is not only sound business practice, but it builds a man's morale. His self respect and confidence are increased. He is worth more to himself, his employer and the community.

Such a reserve provides funds immediately available for business opportunities or emergencies. It is proof of profit-earning power and so one index to credit. A larger balance may easily earn you a line of credit with which you may greatly increase your profits.

A thorough understanding of checking account service may show you some new ways to use it profitably. Talk it over with your banker. He is anxious to help you prosper, for your interests are the same.

Rabbi Menkes To Tell Of Convention

Will Discuss "Judaism And The Modern World" On Friday Evening

"Judaism and the Modern World" was the title of the symposium given recently at the 31st biennial council of the Union of the American Hebrew congregation held in San Francisco, February 10-15. Rabbi Menkes who has recently returned from this convention will discuss this subject and give his impressions thereof at the regular Friday evening services at Temple Israel tomorrow night at 8 o'clock.

After the services there will be a social hour with Arthur Hirschfield acting as host.

The flowers for the altar will be furnished by the Temple Sisterhood Saturday morning services at 10:30.

Print Bulletins On Insect Pests

HARRISBURG, March 7.—Among the publications of the Pennsylvania

Department of Agriculture, which have been recently or soon will be published, are bulletins on the European corn borer, the Japanese beetle and the oriental fruit moth.

So many inquiries have been received during the past year about the life history and control measures for these various insects that the supply of former bulletins has been completely exhausted.

Entomologists of the Bureau of Plant Industry anticipate greater interest in these destructive pests during the coming season than ever before and are making every effort to have available for free distribution an ample supply of readable bulletins giving complete information.

The new European corn borer bulletin is now available and the Japanese beetle publication is in the printer's hands.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and pneumonia, for bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (Ad.)

HIGH LIGHTS OF HISTORY

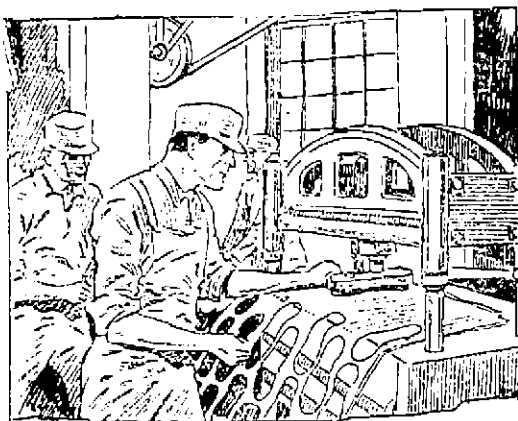

By J. Carroll Mansfield

The Story Of American Industry
Leather—(Concluded)

UNTIL THE MIDDLE OF THE 19TH CENTURY MOST OF THE PROCESSES OF SHOEMAKING WERE DONE BY HAND. THEN ELIAS HOWE'S INVENTION OF THE SEWING MACHINE (ADAPTED IN 1851 FOR THE SEWING OF UPPERS) REVOLUTIONIZED THE INDUSTRY. ABOUT THE SAME TIME MACHINES FOR PEGGING OR NAILING THE UPPERS TO THE SOLES CAME INTO GENERAL USE.

IN THE 'SEVENTIES' THE GROWTH OF LARGE CATTLE RANGES IN THE WEST GAVE THE LEATHER INDUSTRY AN INCREASED SUPPLY OF HIDES. THE CHICAGO SLAUGHTER HOUSES DREW LARGE TANNERIES TO ILLINOIS, WISCONSIN AND MICHIGAN. HOWEVER, SINCE LEATHER COULD BE SHIPPED CHEAPLY, LYNN AND BROCKTON CONTINUED TO BE THE LEADING SHOE MANUFACTURING CENTERS.

THE SHOEMAKING INDUSTRY IS NO LONGER A HAND TRADE. TODAY THERE IS A SPECIAL MACHINE FOR EVERY STEP IN THE MAKING OF SHOES. SOME FACTORIES SPECIALIZE IN PRODUCING ONLY A SINGLE PART OF A SHOE.

THERE ARE MORE THAN TWO HUNDRED THOUSAND WORKERS EMPLOYED IN THE MAKING OF BOOTS AND SHOES (NOT INCLUDING RUBBER BOOTS AND SHOES) IN THE UNITED STATES, AND THE YEARLY OUTPUT OF THIS GREAT INDUSTRY IS WORTH MORE THAN ONE BILLION DOLLARS.

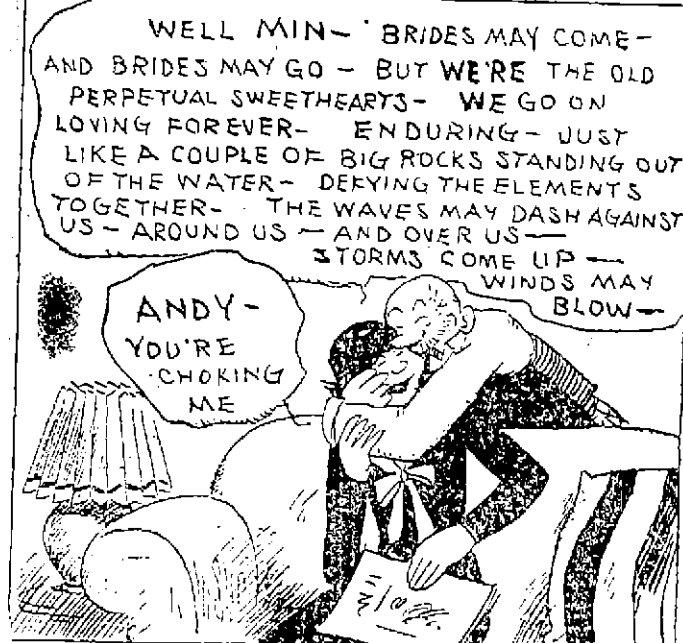

TOMORROW—MEAT PACKING.

Westminster To Close Floor Season Tonight

Final Game For Three Players

Westminster Meets Thiel Tonight; Tudor Lewis, W. Lewis And Ayers In Final Game

WESTMINSTER IS FAVORED TO WIN

By "BUGS" WALTHER.
Westminster college's great 1928-29 basketball team will ring down the curtain tonight. Thiel college will furnish the opposition to Coach Johnny Lawther and his Titan crew. The game is to start at 8 o'clock.

Tonight marks the passing of three Westminster floor stars, Tudor Lewis, William "Bill" Lewis and Charles "Chuck" Ayers. When the Titans ambled out of the dugout tonight the three men in mention will file out for the final time of their collegiate careers.

Last Game For T. Lewis
The passing of Tudor Lewis, Parrell star, leaves a wide gap in the Westminster defensive department to be filled next year. In Lewis the Westminster team has a player that ranks with Hyatt, Baker, Glenn, and other well known Western Pennsylvania stars. The Parrell boy has been a tower of strength to the Titans for the past three years. Used by Coach Lawther as a running guard Lewis made good in his first year with the United Presbyterians and there has been no player since 1926 to dislodge the clever hard fighting "Tudor".

W. Lewis, a youngster who has tried hard and given his best to the Titans as a forward will play his last game tonight. "Bill" was a letter at Westminster in basketball this year. Used as a substitute for either Delahanty or O'Donovan the youth has made good.

Ayers To Graduate
Charles "Chuck" Ayers a very good guard, captain of this year's team, found himself ousted by Phil Rite a guard from Duquesne High at the start of the season. Ayers has broken into a lot of games and is a valuable man. Ayers will wind-up his collegiate career tonight. Last season Ayers played a regular post. Give the boys a big hand tonight, they deserve it. All three of the boys passing out of the picture are good clean sports, and they play the game the same way.

Fresh from their 25 to 20 upset of the Duquesne team at Pittsburgh on Tuesday night, the Titan band awaits the coming of the Thielmen. The blue and white clad warriors are favored to win tonight. A victory for Westminster will make six wins and two defeats in Tri-State circles. The United Presbyterians have scored 34 points to 308 for their opponents so far this year. Not a bad record at all.

Titans Favored
Thiel was easy for the Titans at Greenville, and Coach Lawther is not looking for much competition this evening, but you can never tell about basketball teams, and there may be a few surprises. The Greenville team has a couple of stars in Frantzen and Morris.

When the curtain falls tonight, the fans will have to rest until the start of a new campaign in 1930, when the writer firmly believes that Westminster will again ascend to the Tri-State championship. The best team in the district this year did not win the crown. With Delahanty, O'Donovan, Rice and Ciesynski back next year, together with Fisher, Witherspoon, Campbell, and others, the Westminster team looks forward to another great campaign next season.

Following are the probable lineups tonight:

Westminster.	Thiel.
Delahanty.	Morris.
O'Donovan.	Schilling.
Crowell.	Frantzen.
Rice.	Glenn.
T. Lewis.	Meyers.
Referee—Al Slack, Pittsburgh.	McCoy.

Wills Huppe, world's 12.1 half-ton record champion, and Ralph Green, who has held the world's pocket billiard title for ten years, will meet in exhibition games Saturday night at the Hudson billiard parlor. They will play a three cushion and pocket billiard match after which both will give exhibitions.

Pitt defeated Washington and Jefferson 23 to 28 in basketball at Washington. The Presidents pressed the Panthers until the latter part of the game. Charles Hyatt was all over the court and caged 17 points when he gave him an even break with his 1928 record of 253 points.

Francis T. Hunter, second ranking tennis player, vanquished Fritz Maercur at Palm Beach in the quarter final match of the Florida men's singles, 5-1, 6-4.

Ray Miller, hard hitting Chicago lightweight, and Jimmy McLaughlin, Pacific coast star, will clash March 22 at the Madison Square garden, New York. The bout will go 10 rounds.

Miss Glenn Collett, national women's golf champion, led the field at St. Augustine, Fla., in the Florida East Coast play. She shot the best individual round to defeat Mrs. Dorothy Beatham 9 and 7.

The next boxing show to be held at Jolly boat will be on March 13. Efforts are being made to land Al Webster, a good middleweight, to meet George Perotta.

It had been planned to use Harry Fuller, who floored Perotta at Buffalo, and Perotta was anxious to fight him on but Fuller wanted too much weight and would have been too big for George.

George has been training constantly since the match with Hybert and said recently he would box anyone selected. Webster has a very good record, as one can see by scanning it.

Young Jennings will be unable to box Jelling Jennings as he will compete with R. E. Beane at the Olean, N. Y., March 15. Suk will represent the E. & A. division at 135 pounds.

Valley Teams Win Victories

Duffs College Defeats Business College, 37-30; Millers Upset Gersons, 33-28

Two Beaver Falls basketball teams won victories in games played at the Y. M. C. A. floor Wednesday night. The Duffs College team defeated the New Castle Business team 37 to 30. The Lisle T. Millers upset the Gerson Jewellers 33 to 29 in an extra-period battle. Both games were interesting and well played.

The Duffs team held a 17 to 14 lead at the end of the first half. Hoffman, Young, and Clark were the featured players for the visitors. Drake, Babosky, and Goodhart featured for the locals.

The Gerson Jewellers after leading 15 to 4 at the end of the first half, went to pieces in the final periods and allowed the valley quietest to deadlock the game at the end of the regulation time. To the extra-period of five minutes the Millers ran wild. Ewing, Mohr, and Rhodes looked the best for the winners. For the Gersons the playing of S. Levin, J. Solomon, and Rogovin featured.

The summaries:

Duffs College 37.	Bus. College 30.
Hoffman.	Babosky.
Young.	Drake.
Harrison.	Spencer.
McLeary.	Goodhart.
Clark.	Gutowski.

Ben Franklin Teams End Perfect Season

Franklin Boys Trim Mahoningtown Boys, 27-15; Girls
Also Win, 26-14

Captain Fabian And Helen
Kraft Star In Final Game
Of Season

By CHARLES LANDOLF
The Franklin boys and girls basketball teams closed the 1928-29 season with two wins over the Mahoningtown teams in games played on the Franklin floor on Wednesday afternoon.

The attack was led by Captain Fabian and Cooper. The fourth and final quarter was hard fought, and the Morgan coached combination tried hard to overcome the 7 point lead which the Franklin boys had secured. This quarter was fast and interesting and the final whistle blew with the Franklin boys on top by a 27-15 verdict.

In the girls game the Franklin girls also proved too strong for the Mahoningtown maidens, 26-14.

The girls from Franklin played exceptionally good clean basketball this season and as a result won the Junior High title as well as having the distinction of never having been defeated in 1928.

In the boys game the playing of Captain Fabian and Cooper featured while Pascarella and Rapp were the best for the losers.

The girls game was featured by the playing of Helen Kraft and Captain Lillian Morris.

The summaries for both games follow:

Ben Franklin—27. Mahoning—15.
Abraham—F. Pascarella, Raskowski, Watson, C. (Capt.) Rapp, Fabian (Capt.), G. McClure, Ostrosky, G. Rishel.
Subs: George, Grommes, Regan, Brandt, McCune. Field goals—Abraham 2, Cooper 2, Fabian 5, Ostrosky 1, Pascarella 2, Raskowski 1, Rapp 1. Fouls—Ben Franklin 5 out of 7, Mahoning 3 out of 9.

Referee—"Scots" Nelson. (New Castle High.)

Girls' Game
Ben Franklin—26. Mahoning—14.
E. Jewel, F. Pascarella, M. Stickle, H. Kraft, F. M. Reimer, P. Gencow, C. E. Carnes, L. Morris, S. C. W. Morgan, H. Keck, G. J. Augustine, K. Russler, G. R. Root.
Subs: McCann, Johns, Wadell, Mastrodidi, Gilmore, Ciccone, Sheelan, Kevine, Lombardo, Catilla, Davis.

Field Goals—Stickle 5, Reimer 1, McCann 1, Kraft 7, goals counting two points, Ciccone 1, Sheelan 2. Fouls—Mahoningtown, 0 out of 2. Franklin, 3 out of 6.

Referee—Miss Pauline Gilkey, (New Castle High School).

BEAVER FALLS, March 7.—Geneva college's basketball season will come to a close Friday evening at the Beaver Falls high school gymnasium where Coach Loeffler's gold and white quintet will make a final bid for conference honors when it tackles the ever dangerous "Terrible Dukes" of Pittsburgh.

If Geneva wins the Covenanters will share the conference championship with Behan's college. With this splendid opportunity starting them in the face Captain Emrick and his team mates will be expected to put forth every ounce of energy to bring the golden laurels of a championship to the Covenanters threshold for the first time in the school's history.

Duquesne's invasion of Beaver Falls in the past has always rewarded

eager basketball followers with thrilling, exciting, stirring basketball. In 1924 Geneva nosed the Dukes out in the last ten seconds of play while the Smoky City boys turned the tables the following year by defeating the Covenanters in an extra period 28-25. 1926 intensified the champion Dukes defeating Geneva 25-19 and 1927 saw the gold and white five once again nose out the Dukes in the final ten seconds of play, 30-29. So it is easily seen that the game this year, holding at stake what it does, will be no exception to the hectic struggle of the past.

The game will mark the last appearance on the court for Captain Howard Emrick and Clair Merriman, two of the greatest guards Geneva has ever had.

Charge College Runners Seeking Appearance Sums

By DAVIS J. WALSH
Sports Editor International News Service
NEW YORK, March 7.—College men competing in the intercollegiate championship meet here on Saturday last, were charged today with demanding "appearance money" when their entries were solicited for another set of games to be held later in the month.

The allegation, but not its supporting evidence, was in the hands of the Amateur Athletic Union today, some hours before its registration committee was scheduled to sit in judgment on the Barbuti case. This latter involves charges by the Olympic 400-metre champion that A. A. U. officials are cognizant of flagrant violations of the amateur code in connection with the paying of so-called appearance money to so-called amateur athletes.

Barbuti is coming to the meeting tonight, supported by attorneys and will be required to furnish either proof or retraction of his statements. The A. A. U. being in a position to demand this because he is directly under its supervision. So far it has been unable to secure an affidavit against the collegians involved in the charges because the man who aired them is independent of A. A. U. control and doesn't care to be placed in the position of turning "copper." His declaration is that college men gave him the alternative of paying them or looking elsewhere for his entries.

TRAINING CAMP 'BUNTS'

Baseball Teams In 'Big Show' Prepare For Season

PASO ROBLES, Cal., March 7.—The Pittsburgh Pirates were to play their first game today at their training lot here. It is to be a regulation length game between the Regulars and Yanigans, Manager Donie Bush has decided against many games this spring, being content to devote the training period to batting practice.

Traynor has been shifted back to shortstop and Dick Bartell to third.

The Thrill of Two High Speeds

[[Four Speeds Forward]]
[[Standard Gear Shift]]

The new Graham-Paige sixes and eights are distinguished by the thrilling performance of two high speeds, standard gear shift. With the time-proved, Graham-Paige four speed transmission—fourth, used most of the time, gives a new smoothness and swiftness; third, a quiet internal gear, provides rapid acceleration in traffic and up steep hills. The gear shift is standard—you start in second; first, in reserve, is instantly available but seldom used. You are invited to enjoy a demonstration.

sion Meets

At the meeting of the New Castle traffic bodies which took place Wednesday evening in the office of Mayor W. H. Gillespie in the City building, it was decided that a reflector sign should be erected on Greenwood street going north just at State street before the P. and O. tracks, states Ray Hall, secretary of the safety commission. The Wednesday meeting was in charge of Carl Pansley, who was appointed temporary chairman in the absence of James B. Foster, chairman of both groups.

The need of the sign at this point was due to the P. and O. car tracks which cannot be seen by the motorists in going down Greenwood to State street.

At the recommendation of the local United Commercial Travelers organization it was decided to place a danger sign on the Mill street bridge, due to the fact that it is exceedingly slippery when wet.

It was reported at this time that signs had been placed at the Grant street bridge to the same effect.

A general discussion with regard to regulation signs and lettering took place at this same meeting also. It was the consensus of opinion that a certain lettering should not be adopted as yet as the state law may change very soon and the establishment of such a sign would be but a useless expense.

Roaming Round With Richards

Some News, Some Views, But
Mostly Just Observations
Of Interesting Things
Around New Castle

This thing now of crossing the street against the light, or the middle of the block. Not a good practice at all, but even a colium conductor can't keep pounding away at it if folks insist upon risking their lives and flasks. But when a customer thinks enough about the evil to sit down and write a letter about it, the letter should be printed.

J. B. Harward is the author of the following letter and it wouldn't be such a bad idea if you read it.

New Castle, Pa., March 4, 1929.
Mr. Bart Richards,
c/o New Castle News,
New Castle, Pa.
Dear Sir:

I have been living in New Castle for two years and I have been an automobile driver for 14 years, have driven cars in all the largest cities in the country, and in all my experience, I never drove a car in any large city that was as dangerous as New Castle.

On a Saturday night from East St. to Beaver St., you are liable to hit or injure someone at any time. There are men, women and children crossing the street between the blocks by the dozens and it is a very hard matter for an automobile driver to keep from hitting them.

There is one place to cross the street and that is at the street crossing on the light, and why there are no more people injured or killed on Washington St., in New Castle, is a mystery to me.

I do not know whether you have ever watched this performance on a Saturday night, in fact any night, but Saturday night, especially, if you have not, walk the street between East and Jefferson Sts., and you will be convinced.

I am signing my name to this and you can print it if necessary; being a safety man, I believe in safety, and something should be done in this city to curb the people from carrying out from behind automobiles, crossing the streets in the middle of the block.

Yours very truly,
J. B. Harward,
1012 East Washington street.

The gentleman is right y'know. Too many of us cross the streets when and where we shouldn't, and only a kindly Fate has saved us from a wooden overcoat and lily.

This has nothing to do with "law down and go boom" for that phrase is out. But may I suggest that the young lady who did a Brodie down on the South Side this morning should really carry a spare pair of hose with her. That hole she ripped in her socks hardly added anything to the appearance of her knee.

If you like figures the school board should tickle you pink tonight. The budget meeting will be held and after juggling figures and decimals around all evening, they should feel like millionaires.

Dance

Garden Dress Is Boom For Cotton

By ALICE LANGELEIR

International News Service Staff
Correspondent
PARIS, March 7.—The new "garden dress" has brought old-fashioned cotton to the fore as a spring fabric.

It was originally intended for wear in the gardens about private swimming pools or for a quiet morning about the house, but it also makes a neat and practical garment for beachwear that promises to be very popular this summer. For it slips over the one-piece bathing suit in charming fashion and, topped off with a huge hat of coarse straw, makes a very attractive ensemble.

The designer who started the ball rolling is making the garden dress in old-fashioned printed cotton squares in bright color combinations like red and yellow, or orange and blue. It has a long full skirt and fitted high waistline.

Another dressmaker prefers silk

and is using an all-over flowered design which is especially quaint.

The main point of course is to make it of some washable fabric which, by the way, promises to have an enormous vogue this summer. Tub tissues, are being made now in silk crepes with satin stripes, or with bands in two or three colors. Not a few of these materials are used so that the stripes border the skirt or the hem of the jacket, or are introduced in a cluster of pleated so that it appears as though two fabrics have been employed.

HELD FOR PASSING

WORTHLESS CHECKS

BUTLER, Pa., March 7.—Charges of forgery of bank checks, making bank checks with intent to defraud, and obtaining money under false pretenses were placed against Benjamin H. Harvey before Alderman George R. Kearns, and he was bound over to court under bail of \$10,000. Harvey persistently denied the charges and when taken before prominent bankers stated he did not know them. His identity, however, was no mystery to those whom he is accused of fleecing, they state.

WOULD PROTECT FEMALE TURKEYS FROM HUNTERS

(International News Service)
HARRISBURG, March 7.—Wild turkeys, credited by hunters with uncanny abilities in finding methods to escape from their guns, may go in for beauty culture if a bill being sponsored by Representative Joseph Washington, Cambria, becomes a law. Representative Washington believes that only the grandpa turkeys should be killed and has introduced a bill which would make it unlawful to shoot any but "male wild turkeys with beard." The bill does not specify either the color or length of the legal beard.

At present both male and female turkeys may be shot.

Coroner's Jury Holds Motorist

ALTOONA, Pa., March 7.—David L. Pringer's auto as he stepped from a trolley car

on a charge of involuntary manslaughter returned by a coroner's jury after investigating a fatal auto accident. The jury held that Fred R. Black, 29, came to his death by injuries received when he was hit by Pringer's auto as he stepped from a trolley car.

About a year and a half ago the Aguirre brothers returned to Mexico. Manuel's wife is reported to have refused them money for their return, procured a divorce and is now living in Weirton.

General Jesus M. Aguirre was reported in today's news dispatches, as being in retreat from Vera Cruz, which his forces had held for several days, only to be defeated last night. General Manuel Aguirre is reported to be the rebel leader who overthrew the garrison at Nogales.

CAN'T GET RID OF HIM

Boss—Well, did you read the letter I sent you?
Office Boy—Yes, sir; I read it inside and outside. On the inside it said, "You are fired," and on the outside it said "Return in five days," so here I am.

WHEN CATARRH GETS ITS GRIP

Few people realize how serious catarrh is. They do not know that it is the forerunner of grave dangers. It weakens the resistance and makes its victims easy prey for colds, influenza, grip and pneumonia. Sometimes it is the starting point of asthma.

Neglected, it eventually spreads through the system. The stomach, bowels, kidneys and liver become involved. A very large part of the troubles of these organs is due to the insidious attacks of catarrh.

Many Suffer Needlessly

Many people who are sick all the time without being confined to bed, stores.
